Hi Noel and Bob,

I heard you picked up permits for Lots 9 and 10 this morning! Congrats :). FYI, SWCA will start their weekly erosion and tree protection inspections. Please make sure to make all identified corrections prior to the next rain and prior to their next weekly inspection. If any corrections drag out too long, we will have to escalate enforcement.

Thank you

Hi Camille,

Are we still ok to pick up permits for 9 & 10 after 3 today? Let me know if that still works.

Thanks,
Noel
