1. May not add to 100% due to rounding.

2. The LAIF amount was over \$65 million at period end due to accrued interest. As the initial investment was within the \$65 million limit,

the holding is in compliance with both LAIF's and the County's Policy requirements.

#### Notes

- The purpose of this report is to verify the accuracy of the County's portfolio holdings information and verify the portfolio's compliance with the California Government Code and County's Investment Policy as of the date of the report.
- The report was prepared using the month-end portfolio holdings and market value information provided by the Treasurer's office.
- Percentages listed in this report were calculated using market values, including accrued interest, as of month-end.
- Using the CUSIPs provided by the County, issuer information and credit ratings were verified on Bloomberg for compliance purposes.
- The issuer credit rating is used when a specific issue is not rated by a credit rating agency.
- This report is for the purposes indicated above and it is not intended to provide specific investment advice or recommendations.
