On March 17, 2020, the Governor issued Executive Order N-29-20 suspending certain provisions of the Ralph M. Brown Act (Brown Act) in order to allow for local legislative bodies to conduct their meetings telephonically or by other electronic means. On June 11, 2021, the Governor issued Executive Order N-08-21 extending the suspension of those provisions to September 30, 2021. On September 16, 2021, the Governor signed AB 361, a bill that formalizes and modifies the teleconference procedures implemented by California public agencies in response to the Governor’s Executive Orders addressing Brown Act compliance during shelter-in-place periods. AB 361 allows local governments to continue to conduct virtual meetings as long as there is a gubernatorially-proclaimed public emergency in combination with adopted findings that meeting in person would present risks to health. Thus, pursuant to AB 361, the public meetings of the Business License Board will continue to be conducted exclusively via Zoom as long as it is found that conducting in-person meetings would present an imminent risk to the health and safety of attendees.
