

virtual meet & greet

San Mateo County Independent Living Program (ILP) is here to help you!

Join us to find out how ILP can help foster youth with life skills including how to: get a job and start a career, open a bank account, manage money, apply for college or trade school, live on your own and much more!

We are a team of supporters who can help you get through the tough times in life. You don't ever have to do anything alone. We're here for you!

**\$25 Gift Cards will
be given to each
youth that attends!**

"ILP helped me get through high school and find a job right after graduating. I didn't have the right work clothes and they helped me get those too."

- 2018 ILP Graduate/County Intern

"Anytime I have a question about work or school, my ILP Case Manager always helps me find an answer. She's really easy to reach out and talk to."

- Current ILP High School Senior

Two Dates to
Choose from:

THURSDAY

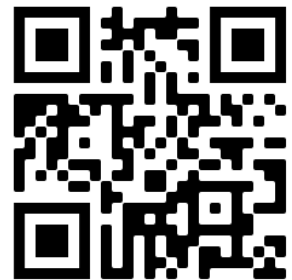

September 15th
5:00pm – 6:30pm

or

September 22nd
5:00pm – 6:30pm
