

College is for Everyone!

Is college for you? It can be! It's for everyone! We want you to log on and join the ILP College Team as they bring you a look into what four-year, community college, and vocational schools look for in college eligible students. They will also go over myths and lies in detail to clear up any misunderstandings about all the college systems.

This is a great opportunity for you to learn and ask any questions you may have about your next step after high school. We look forward to seeing you!

**\$25 Gift Cards will
be given to each
youth that attends!**
