

The UC and CSU

Want to apply to a UC (University of California) or CSU (California State University)? Not sure what the difference is between the two? That's ok! We know it can be a little confusing, so we'll help you through the process!

The ILP College Team is partnering with UC and CSU college reps who will provide information about their respective schools such as: how to apply, the transfer process, and information regarding support programs and services available specifically for foster youth. We look forward to seeing you soon!

**\$25 Gift Cards will
be given to each
youth that attends!**
