

South San Francisco Golden Gate Lions Club

VETERANS BBQ

Wednesday October 26th @ 11:30

FREE FOR ALL VETERANS

The South San Francisco Golden Gate Lions Club is pleased to announce one of its programs assisting military veterans. Members have been offering free barbecues for vets (with the assistance of VFW # 4103 SSF & the Golden Gate Harley Owner Group HOG) Motorcycle Club. The events were conducted at the Veterans Administration Clinics in San Bruno, Third Street in San Francisco and Treasure Island to promote and assist them with all the benefits available.

The enthusiasm & pride shared between the vets and volunteers make it a wonderful occasion. Other programs include the collection & distribution of clothes, & household goods for them and their families. We also will be offering a bicycle giveaway program as a means of transportation for vets in need.

Our first post pandemic event will be at the Orange Memorial Park Eucalyptus Shelter on Wednesday, October 26th at 11:30. We cordially invite all veterans to join us for a free lunch. Supporters and friends can participate with us for a small donation to cover expenses.

Please RSVP at elmer_madrid@sbcglobal.net or 650 888 3988 so we can have enough food. If you can't come and join us you can participate with a monetary donation, donations of lightly used clean clothes for all, furniture and household goods. Our club is prepared to collect them at your residence upon scheduling at 650 888 3988. Thank you in advance for your assistance and participation.
