Selection Process
How do I submit the pre-approval letter from San Mateo Credit Union?
You can email your pre-approval letter to Nila Kim at nhkim@smchousing.org, send it by regular mail, or drop it off at 264 Harbor Boulevard, Building A, Belmont, CA 94002.

How does the draw process work?
All pre-approval letters submitted to the County will be entered in the drawing

If I don’t get selected for the draw, does my name stay in the candidate pool for all the drawings?
Yes, your name will remain in the pool unless you ask to be removed.

What if my name is drawn, I close on the purchase, and then leave my job at the County or retire?
The loan must be paid in full if you leave or retire within the five-year deferral period. If you leave or retire after the deferral period, you can continue making payments per the terms of the original loan.

Can I still purchase a home if my name was not selected in the drawing?
Yes, you may still purchase a home but without the loan from the Employee Down Payment Assistance Program

Financing Your Home
Can I use the equity from a current home as a down payment?
Yes, you can use the equity from the sale of your current home as a down payment if you do not currently own a home in San Mateo County. The home you purchase must be in San Mateo County and your primary residence.

Can the down payment be a gift?
Yes, the down payment can be a gift.

Can you be a renter and receive the County’s $5,000 grant?
Yes, if your name is drawn, and the employee resides outside the County and purchases a home within San Mateo County.

Is the $5,000 grant for moving into San Mateo County considered taxable income?
Yes, it’s considered taxable income and will be included in your total annual earning. The County will withhold your share of all associated payroll taxes, including income and social security taxes, in the first paycheck, following 30-days after the closing date.

What else can be considered taxable income?
The interest deferred for the first five (5) years is also considered taxable income. At the time of the loan close, the County will calculate the value of the uncollected interest by using the Applicable Federal Rate for the month following the closing date. The County will attribute the value of the uncollected interest as income to you and withhold your share of Social Security taxes from that added income in your last paycheck of each quarter for the first five-years of the term of the loan.

Does the purchase price include closing costs?
No, the purchase price is the cost to buy the home only. Closing costs are the fees associated with the loan and the transaction itself.
