GRAND TOTAL COUNT SURVEY 650 Last Updated 08.10.2022

- SURVEY QUESTIONS:**
- 1.) In general, how willing would you be to pay more in annual sewer charges, which are collected on the property tax bill, to update and expand the City's sewer system capacity in the affected areas in order to support these development projects?
 - 2.) Next, please indicate how much more you would be willing to pay in annual sewer charges, which are collected on the property tax bill, to update and expand the City's sewer system capacity in the affected areas in order to support dev. projects listed on the prior page?
 - 3.) Do you have a favorable or unfavorable opinion of the East Palo Alto Sanitary District?
 - 4.) And, in general, how satisfied are you with your sewer service?
 - 5.) LAFCD may initiate a dissolution of the District and hand over the District to the City of East Palo Alto. Rate payers would be required to pay approximately \$45 million to serve development projects. This means each rate payer would be required to pay approximately \$10,000 to development projects. Will you support this initiative?
