The Cash Assistance Program for Immigrants (CAPI) is a state funded program designed to provide monthly cash benefits to aged, blind, disabled non-citizens who are not eligible for SSI/SSP solely due to their immigration status. San Mateo County is the lead county in the Bay Area CAPI consortium, which is comprised of the following counties: Alameda, Contra Costa, Marin, Merced, Monterey, San Mateo, Santa Cruz, Solano, Sonoma, and Stanislaus. As the lead county in the consortium, San Mateo determines CAPI eligibility and manages all active CAPI cases for all counties within the consortium.

Individuals that apply and qualify for ongoing assistance receive benefits each month via a warrant (check) or by Direct Deposit.

### CAPI Eligibility

Eligibility requirements include:

- Age 65 years or older
- California residency
- Identification
- Immigration status
- Income
- Resources
- SSI/SSP ineligibility

### I am not a U.S. Citizen. Am I eligible for CAPI?

A CAPI applicant must be either a qualified immigrant such as a Lawful Permanent resident, asylees, refugees, battered immigrants and immigrants whose deportation have been withheld or a permanent resident under PRUCOL. If you are a US Citizen, you are not eligible for CAPI.

- Your immigration status is only used to check whether you are eligible for CAPI.
- Immigrants with sponsors may qualify for CAPI, depending on sponsors income and resources.

### Time Limits

There is no time limit for being on CAPI if clients follow program requirements and continue to be eligible.

### Income Limits for Applicants

Income is considered when determining CAPI eligibility. Income includes things such as, earnings from a job, unemployment benefits, disability benefits, self-employment income, retirement benefits, interest income, and other means of income or support.

To see if you qualify based on income, look at the chart below. Income numbers are based on your countable income which is an individual's gross income, plus that of a spouse or ineligible parent, minus any exemptions, exclusions, deductions, or disregarded amounts and then compared to our CAPI payment standard based on your living arrangement.
