Have restricted Medi-Cal? You could soon get full Medi-Cal!

Starting January 1, 2024, more people will be eligible for full Medi-Cal benefits.

**Immigration status doesn't matter.**

If you qualify and currently have restricted Medi-Cal:

- In December 2023, you will get a letter in the mail telling you if and when you will get full Medi-Cal.
- You do not need to fill out a new application for full Medi-Cal. If you qualify, you will be automatically enrolled.

Full Medi-Cal is different from the restricted Medi-Cal you may have now. Restricted Medi-Cal only covers emergency services. Full Medi-Cal covers:

- Doctor visits
- Prescribed medications
- Vaccines
- Mental health care
- Substance use care
- Vision care/eyeglasses
- Dental care
- Emergency services
- Referrals to specialists

You may soon be eligible if you:

- Live in California
- Are 26 to 49 years old*
- Meet household income eligibility requirements

* Californians under the age of 26 or over 49 are already eligible for full Medi-Cal.
