The graphic features a dark blue header with the ILRC logo and the title 'IMMIGRATION PREPAREDNESS TOOLKIT'. Below the header, the text 'ABOUT THE IMMIGRATION PREPAREDNESS TOOLKIT' is followed by an introductory paragraph. The main body contains four sections: Section 1 (emergency preparation), Section 2 (immigration relief options), Section 3 (legal consultation), and Section 4 (basic information). A 'How do I use this kit?' section provides instructions on using a URL or QR code. A 'Try it now!' section includes a QR code and a URL. The right side of the graphic is decorated with a vertical dashed yellow line and icons: a lightbulb, a life preserver in a cloud, a smartphone with a QR code, a document with 'EAD', and a baseball field.

ABOUT THE IMMIGRATION PREPAREDNESS TOOLKIT

Whether your work authorization in the United States is about to expire or you never had it in the first place, the future can seem uncertain if there is no clear path for you to gain lawful immigration status. This resource-packed **Immigration Preparedness Toolkit** aims to help create a strategy to navigate the future.

This toolkit outlines concrete steps you and your family members can take to protect yourself, provides a guide to seeking legal advice, and describes different immigration options available. Each section below was included to help you create a strategy and build a protection plan.

Section 1 presents important information on how to prepare your family in case of an emergency, your constitutional rights, and what vital resources you can use.

Section 2 reviews information on common immigration relief options and how one might qualify, depending on their circumstances. This is important to understand because people may be eligible for legal protection and not be aware of it or have misinformation or an unrealistic expectation about how to obtain lawful status.

Section 3 will walk you through considerations and documents to gather as you prepare for a legal consultation. Because general information can only get you so far, it will be important to identify and speak with a trusted legal representative. This section includes useful tools to get you started and make the process a bit less intimidating.

Lastly, **Section 4** will outline basic information to cover your bases regardless of your immigration status. Even if you are not immediately eligible to apply for lawful permanent status, there are best practices you can adopt now to ensure that, when new opportunities emerge, you are ready.

How do I use this kit?

This packet covers important topics for immigrants with no legal status or in mixed-status households. We recommend you save and/or print this toolkit so it may serve as a reference to revisit when needed. Also, note that there are additional free guides and other resources you can link to directly from this packet. They can be accessed by **either entering the URL into your internet browser address bar** (they usually start with "bit.ly/") or by **using a smartphone to scan the QR code through the camera app** and hovering over the code.

Try it now!

PLAN DE PREPARACIÓN FAMILIAR

Cómo las familias inmigrantes pueden prepararse de manera más proactiva para las emergencias migratorias que surjan

NOVIEMBRE 2024

Cada familia debe tener un Plan de Preparación Familiar en caso de una emergencia. Es fundamental que las familias inmigrantes piensen en el futuro y establezcan planes más concretos para las emergencias que puedan surgir. Por ejemplo, este paquete detalla las diferentes opciones de cuidado infantil disponibles en caso de que un padre este ausente, dónde encontrar servicios de inmigración de confianza en su comunidad y cuáles son sus derechos constitucionales en presencia de un oficial de inmigración.

Este paquete está dividido en diferentes secciones que brindan orientación sobre la preparación familiar, independientemente de estatus migratorio. También brinda asesoramiento adicional a familias indocumentadas y/o de estatus mixto.

NOTA

TENGA EN CUENTA QUE HEMOS CREADO UNA VERSIÓN MÁS BREVE Y CONDENSADA DE ESTE PLAN DE PREPARACIÓN FAMILIAR Y SE PUEDE ENCONTRAR EN: [TLRC.ME/FAMPREP](https://tlrc.me/famprep)

PARTE I: HAGA UN PLAN DE CUIDADO INFANTIL

Es importante tener un plan para que un adulto de confianza pueda cuidar a su hijo si usted no puede hacerlo. Este plan debe incluir números de emergencia, una lista de información de contactos importantes y un archivo con documentos importantes. Ya sea que desee que su hijo lo acompañe a su país de origen en caso de que enfrente
