Action Requested: That the AAC provide feedback to Midpen on the proposed language changes.

Background:

The Basic Policy serves as Midpen's "constitution", providing the highest level of policy guidance on fulfilling our mission. The last comprehensive update to the Basic Policy was in 1996 prior to the annexation of the Coastside Protection Area. In 2023, Midpen's Board of Directors (Board) approved the process for incorporating the Coastside Protection Area into the Basic Policy in a manner consistent with the Coastal Service Plan and formed a Board Ad Hoc Committee to guide the process. Under the guidance of the Ad Hoc, staff proposed policy statement changes to the Basic Policy. The Board provided initial review of the draft update and directed staff to solicit stakeholders and community feedback.

7. **Discussion items:**
 - a. All Committee Members – Propose holding AAC monthly meetings, approximately April, May and June 2025, to invite different categories of farmers to AAC meetings to collect ideas on how to preserve agriculture on the coastside. Proposed farming categories to invite:

- Farmers of flowers/nursery (includes indoor/outdoor plants, Christmas trees, cut flowers, nursery stock, potted plans)
- Ranchers - livestock
