All materials (including but not limited to models, pictures, videos, etc.) presented by any person speaking on any item on the agenda are considered part of the administrative record for that item and must be retained by the Design Review Officer until such time as all administrative appeals are exhausted and the time for legal challenge to a decision on the item has passed. If you wish to retain the original of an item, a legible copy must be forwarded to the Design Review Officer. An electronic copy of a photograph must be submitted.

**Public Records**

**Decisions & Appeals Process**

The Coastside Design Review Committee will make a decision when design review is the only application being considered or make a recommendation to a different decision maker when additional planning applications are associated with the project (e.g., use permit, grading permit, etc.). Decisions made by the

Coastside Design Review Committee are appealable to the Planning Commission when an appeal is provided by law or regulation. As of January 1, 2025, the appeal fee is \$1,962 which covers additional public noticing and applicable surcharges. Appeals must be filed no later than ten (10) working days following the date the Letter of Decision is issued. Appeals can be sent via email to [[ltopete@smcgov.org](mailto:ltopete@smcgov.org)] or to the San Mateo County Planning Counter located at 455 County Center, 2nd Floor, Redwood City. The full amount of the appeal fee must be presented to the County within the time provided for an appeal to be timely. **Matters on the agenda for which the Coastside Design Review Committee will make a decision (not a recommendation) are anticipated to result in a Letter of Decision dated the Monday after the hearing date with a corresponding appeal period starting from the decision letter date;** interested parties should request a copy of the Letter of Decision to ensure timeliness of their appeal. You may submit your request to [[ltopete@smcgov.org](mailto:ltopete@smcgov.org)].
