Please do not reduce the meeting schedule from your current monthly schedule.

There is so much turmoil going on in the Sheriff's Office, and in future months the deputies and other sworn and civilian staff, as well as the broader community, will need your advice to the Board of Supervisors more than ever, as will the Board itself.

In particular, the Board will need to address your recommendation for a permanent inspector general, including how this function could benefit sheriff employees as well as the community.

Thank you.
