**Methodology**

**Average Caseloads:** Based on monthly point-in-time data during the report period.

**Race/Ethnicity, Gender, and City:** Point-in-time data for youth on open cases on the last business day of each month.

**Releases from Juvenile Hall:** Data is based on daily releases during the reporting period. Excludes "weekenders" (i.e., youth order to serve time over a series of weekends).

**Average Length of Stay (ALOS):** ALOS is calculated by averaging the days in custody or on EMP/CAM for youth released during the period. The median length of stay is the middle value when all stays are arranged in order. Excludes "weekenders."

**Average Daily Population:** Based on daily 6 am counts.

**Offense Level:** Based on monthly point-in-time data during the report period.
