

**IMPORTANT NOTICE:
NOTICE OF STREET CLOSURE FOR SLURRY SEAL WORK
PLEASE READ CAREFULLY**

Dear Resident,

Your street has been scheduled for **Slurry Seal Resurfacing** as part of the County Of San Mateo preventative street maintenance program. This work helps extend the life of your street and maintain safe, smooth surfaces.

WHEN

Date: See reverse side of this notice

Time: 8:00 AM – 5:00 PM

Note: Work is weather-dependent. If rescheduled, you will receive a new notice.

WHAT TO EXPECT

- **Street Closed to All Traffic (Including Bicycles and Pedestrians):** No access will be allowed during work hours.
- **No Parking:** All vehicles must be removed from the street by **8:00 AM**. Vehicles left in the work zone will be **towed at the owner's expense**.
- **Drying Time:** After treatment, the slurry seal takes up to **4 hours** to cure. Driving, walking, or biking on the surface before it dries can cause damage and permanent stains to vehicles, shoes, carpets, and floors.
- **Driveway Access:** You will not be able to enter or exit your driveway during the closure. Please plan ahead and park on a nearby street that is not scheduled for work.

SAFETY REMINDERS

- Keep **children and pets** away from the work area.
- Do **not water lawns or wash vehicles** on the day of work as runoff may occur. Moisture on pavement surface may cause material not to set properly.
- **Emergency vehicles** will have access at all times.

TRASH & RECYCLING

If your scheduled slurry seal date falls on your garbage/recycling day, collection may begin as early as **6:00 AM**. Please place bins out the night before. There will be no other service disruptions.

CONTACT INFORMATION

- **On-site Contractor (VSS International):** (916) 373-1500
- **Email:** Questions@slurry.com

Please include your address and phone number in any messages.
