

CONSTRUCTION NOTICE: ROAD CLOSURE

TO LOCAL RESIDENTS & BUSINESSES

Graniterock Construction has contracted with the County of San Mateo for the Ticonderoga Drive Retaining Wall Improvement Project. Improvements include concrete curb, gutter, and sidewalk reconstruction, pavement repairs, storm drainage pipe replacement, retaining wall repairs, and pavement markings. Road and sidewalk on Ticonderoga Road between Allegheny Way and Polhemus Road will be closed as follows:

Full Road Closure: Ticonderoga Road between Allegheny Way and Polhemus Road will be closed to the traveling public and pedestrians on 11/3/25 to 11/7/25 and again 11/10/25 to 11/13/25 during construction hours for pile drilling activities on the project. There will be no vehicle, pedestrian, or bike access. Detour routes will be provided. Please plan accordingly.

Construction Hours of Work: Work will be Monday through Friday between the hours of 8:00 AM and 5:00 PM.

We appreciate your patience and cooperation and apologize for any inconvenience. Thank you for your help and understanding.

If you need assistance related to the project or have questions, please contact Graniterock at 831-768-2100

Sincerely,

Graniterock
