

PROBATION DEPARTMENT COUNTY OF SAN MATEO

Quarterly Post-Release Community and Mandatory Supervision Update April - June 2025: 29 New Supervisees

*since realignment began in October 2011, there have been 3,289 supervisees.

FY 2024-2025 Fourth Quarter Highlights	
<ul style="list-style-type: none"> 29 new supervisees 27 new PRCS supervisees; 2 new MS supervisees 24% of new supervisees live out of county 28% of new supervisees were transient 	<ul style="list-style-type: none"> 52 revocations were filed 42% of violations were technical violations 81% of terminations were successful

PRCS and MS Released to SMC Supervision

Age

Gender

Race

PRCS			
East Palo Alto	6	Redwood City	1
Belmont	2	El Granada	1
Daly City	1	San Mateo	1
Menlo Park	1	Transient	8
Brisbane	1	Out of County	5
Total Supervisees	27		

MS	
Out of County	2
Total Supervisees	2

Terminations, Revocations and Flashes

There were ten (10) terminations during the reporting period. Eighty percent (80%) were successful.

Total # of Supervisees Successfully Terminated		Total # of Supervisees Unsuccessfully Terminated	
PRCS - 7	MS - 1	PRCS - 2	MS - 0
<ul style="list-style-type: none"> • Early Terminations: 6 • Normal Terminations: 1 			

*1 supervisee was deceased

In the reporting period, we filed a total of fifty-two (52) revocations. PRCS had fifty-one (51) revocations and MS had one (1) revocation. Of the twenty-four (24) revocations, there were thirty (30) New Law Violations. The breakdown by violation category is below:

Violation Type	PRCS	MS	% of Q4 Revocations
Violent Felonies per PC § 667.5(c)	0	0	0%
Serious Felonies per PC § 1192.7(c)	0	0	0%
Other Crimes	15	1	58%
Technical Violations	22	0	42%
Total	51	1	100%

Generally, the population is reoffending by committing crimes similar to those for which they are on Realignment, namely non-serious, non-violent, non-serious sex related crimes.

Forty-two percent (42%) of revocations were for technical violations. Technical violations of supervision are filed when supervisees abscond or fail to abstain from substance use. It is important to note that the Probation Department usually files formal revocations after lower sanctions have been attempted, including flash incarcerations for PRCS cases. However, at times, officers may decide that a formal revocation is more appropriate than utilizing lower sanctions, depending on the circumstances of the violation. Fifty-eight percent (58%) of revocations filed were for new law violations involving property, drug/alcohol related crimes as well as other crimes.

There were nine (9) **flash incarcerations** during this reporting period.

Three (3) cases were **transferred** to another county for supervision.

Recidivism Definition

San Mateo County: Arrest and/or Charges Filed within 3 years of Last Incarceration in San Mateo County, including warrant arrests, PTA/Court Sentence but **excludes** PRCS flash incarcerations/Revocation, 647/849B1 (no charges filed) or dropped charges.

Attorney General: An arrest resulting in a charge within three years of an individual's release from incarceration or placement on supervision for a previous criminal conviction.

BSCC: A conviction of a new felony or misdemeanor committed within three years of release from custody or committed within three years of placement on supervision for a previous criminal conviction.

REALIGNMENT BULLETIN CY2025 Q2: APRIL TO JUNE

Executive Summary:

This quarter there was a notable shift in the offenses committed by the supervised and in-custody realignment populations in San Mateo County. Historically, this population commits property crimes. Vehicle Theft (18%) and Burglary (16%) were the top offenses in Q2, 2024. This quarter, April through June, 2025 (Q2), Reckless Evading offenses emerged as a top offense, along with a range of miscellaneous offenses and Burglary-both commercial and vehicle. We also see Domestic Violence (5% increase) and weapons related offenses (6% increase) in the top categories.

Overview:

During Q2, Reckless Evading (14%), Miscellaneous (14%), Burglary (11%), Domestic Violence (11%), Weapons (11%), and Identity Theft (9%) were the top committing offenses for the realignment population (this includes the new supervised cases and in-custody realignment offenders). Please note, "miscellaneous" refers to a number of assorted offenses that do not amount to any one category. These offenses include but are not limited to: unlawful sexual intercourse, assault likely to produce great bodily injury, stalking, and vandalism over \$400. Overall, the total realignment population during Q2 decreased by 43.5% compared to Q2 in 2024.

The data used for this analysis was derived from information provided by the San Mateo County Probation Department and the SMCSO Corrections Division.

AB109: San Mateo County

Note: This data was obtained from different sources (Probation and Corrections) and may overlap slightly. However, the preceding analysis provides a general picture of the San Mateo County realignment population.

AB109 In-Custody Statistics

PC1170(h) New Sentenced Cases	Q2 2025	Q1 2025	Q4 2024
Number of new PC1170(h) cases	31	17	44
Total PC1170(h) Days to Serve	17,680	12,350	22,070
Number of Split Sentences	4	1	7
Number of Straight Sentences	27	16	37
Average Length of Stay (ALOS) all cases (after credits applied)	179	250	113
Average Length of Stay (ALOS) Split Sentences (after credits applied)	259	365	83
Average Length of Stay (ALOS) Straight Sentences (after credits applied)	146	246	120

Demographics of the Newly Sentenced PC1170(h) during Q2 CY2025:

Gender:
 Male = 84% (26)
 Female = 16% (5)

Average Age:
 36 years old

Residency:
 16 - Out of County
 6 - In County
 9 - Transient/Unknown

Mandatory Supervision Revocation

(MSV): Offenders in this population were re-arrested after being released from a PC1170(h) split sentence. Some of these offenders were ordered to serve the remainder of their original sentence and supervision was revoked; others were ordered to serve a portion of their original sentence and were reinstated on mandatory supervision.

MSV Revocation Cases	Q2 2025	Q1 2025	Q4 2024
Number of MSV Cases	3	5	2
Total MSV Days to Serve	265	637	215

FY 24-25, Q4(April 2025 – June 2025)

New Intakes

- There were 110 intakes in Q4.
- Intakes in Q4 by program type: 32% Probation UR, 28% AB109, 40% UR.
- In coordination with Sheriff's Office, 58 virtual intakes were completed in Q4 accounting for 53% of intakes.

Eligibility/Benefits

- There were 19 applications received and processed in Q4: 12 CalFresh, 3 General Assistance, 4 Medi-Cal.
- There were 14 applications approved in Q4: 12 CalFresh, 0 GA, 2 Medi-Cal.
- Denied applications totaled 5: 0 CalFresh, 3 General Assistance, 2 Medi-Cal. Three applications were denied for failure to provide verifications, one was a no show for interview, and one was not eligible for benefits.
- There was no application withdrawal in Q4.

Training/Employment Services

- In Q4, 46 individuals participated in paid training (550 Jobs!) and employment. 550 jobs! comprised 46% and unsubsidized employment 54%.
- Accommodation & food, Trades/General Labor, and Automotive/Transportation were the top 3 businesses that employed individuals in Q4.
- Average wage per hour for unsubsidized employment was \$21.64.
- Total of 39 individuals received job development services in Q3.

Services Provided

- Transportation and communication were the most requested service in Q4: 120 monthly bus passes, 106 bus tickets, 10 phones, and 11 phone cards were issued serving an average of 54 individuals per month.
- Food assistance was the second most requested service: 465 VRS meals, 29 Safeway gift cards, and 13 food totes were issued serving an average of 31 individuals per month.
- Other services provided were personal supportive items. Individuals were provided with 32 hygiene kits, 14 Target cards, and 15 clothing vouchers serving an average of 15 individuals per month.
- In Q4, there were 28 individuals who utilized the motel voucher program and 18 individuals provided with shelter bed placement.
- There were 4 enrolled households that entered into housing lease agreements in Q4 under the Rapid Re-Housing Program.

Peer Support Services

- There were 81 individuals who received peer support services in Q4.
- Total support services provided: 95 face-to-face meetings, 25 transportation service, 12 phone check-ins, 7 administrative support, 5 warm hand-offs, and 4 medical appointment support.
- Iron Sharpens Iron support group had 5 participants in 2 meetings and provides a platform to discuss various barriers to successful re-entry.

Rapid-Re-housing

- In FY 2024–25, a total of 25 referrals were sent to the Abode Rapid Re-Housing Program.
- In FY 2024–25, 17 clients were successfully housed. Of these, 2 clients completed their one-year subsidy in June 2025 and remain stably housed in the same apartment. One client successfully relocated to East Bay after utilizing an 8-month subsidy.

Total Referred = 3,450

Total Served = 2,001

Service Connect BHRS Dashboard

FISCAL YEAR 2024-25 THIRD QUARTER
SUMMARY REPORT NARRATIVE

SAN MATEO COUNTY HEALTH

BEHAVIORAL HEALTH & RECOVERY SERVICES

Please Note: The BHRS Service Connect Dashboard is presented one quarter in arrears to present accurate data because submission deadlines are too soon after the quarter close.

AT-A-GLANCE: All Time Total BHRS Referred, Served, Number of Services

The total number of participants referred to BHRS for treatment since July 1, 2017, is 3,450; of these, 2,001 entered treatment and/or recovery plans. (Participants served by BHRS is a lower number than those referred because not all assessments result in treatment). The total number of Service Connect services—including both mental health and substance use treatment services—provided to participants since the inception of the program is 29,141.

Open Service Connect Cases with a Service

This graph represents total Service Connect participants that received at least one BHRS service. The numbers do include participants that continued from quarter to quarter, so a participant could be counted more than once in each quarter if their case was open across multiple fiscal quarters. The Q3 count is 85, which indicates a plateau of the recent downward trend.

Engaged Participants with Four or More Services in a Year

“Engaged” is defined as a participant receiving four or more services, meaning the participant has returned to BHRS for multiple appointments for different services, demonstrating the participant is engaged because they actively participate. Engagement has been increasing over the past three quarters, since the spike in engagement that occurred in Q4 of FY2324. Engagement rates tend to increase for multiple quarters after the reporting period, as service data becomes more complete.

Percent of Participants with Substance Abuse Recovery Plan or a Mental Health Treatment Plan

This graph presents the percentage of participants who had a mental health treatment plan or a substance abuse recovery plan. Substance abuse recovery plans are historically at a rate of two to one as compared to a mental health treatment plan. However, AOD treatment plans this quarter continue to be higher than that ratio, which represents a significant trend.

Living Situation Upon Program Admission and Discharge

This graph shows the living situations of participants at the time the participant was admitted to the program and then the living situation when discharged from the program, for participants who were discharged in the reporting period. The purpose of this measure is to monitor the service impact on improvement of the living situation of the participant. Q3 shows that 5 participants who were discharged during this reporting period were homeless upon discharge, higher than the 4 participants in this group who had been homeless upon admission.

Total Individuals Referred to Service Connect and Total Admitted for Services

Not all individuals referred to the program meet the assessment criteria for admission to the program, so this graph measures the difference between the number of persons referred and the number that are admitted and served for each quarter. The results for Q3 demonstrate a reversal in the trend seen in recent quarters, with both referrals and the number served increasing from last quarter.

Social Orientation and Gender Identity (SOGI) Data

BHRS collects SOGI data in five categories at admissions and across the life of a case to inform other levels of government of the needs of all populations. Q3 Sexual Orientation shows four reporting as Bisexual, three as Lesbian/Gay, and one as Other. Two participants indicated their pronouns are They/Them. These continue to be high counts for both categories.

Correctional Health Services (Unavailable)

Previous counts represented the participants who were screened, medically treated, and referred for mental illness and substance abuse treatment by Correctional Health. Due to a staffing change and transition to a new electronic health record system, this data is no longer available and will need to be re-defined.

Service Connect Cases with PES Counts

A Psychiatric Emergency Services (PES) count is when a Service Connect participant has presented themselves at PES. Those participants that were not admitted are shown as a “visit” and those admitted are shown as “inpatient.” Involvement with PES is only counted if enrolled in Service Connect—counts do not include episodes when subject was not a participant in Service Connect. Q3 showed an increase with seven PES visits and one hospitalization.

BHRS is continuing to review and improve data methodology for this report.
