

Additional Information Report Form

We would like to learn more about you and your operations. The information gathered from these questions will be used to better serve our agricultural community and to create a more interesting crop report that features the differences or similarities of producers and practices. Collected data will only be reported in an aggregate form for statistics compiled for the county crop report. If you have any concerns about how your answers will be used, please contact Michael Wong at mjwong@smcgov.org or (650) 726-2514.
