California Fish and Game Commission Notice of Final Consideration of Petition

NOTICE IS HEREBY GIVEN pursuant to the provisions of Fish and Game Code Section 2078, that the California Fish and Game Commission (Commission) has scheduled final consideration of the petition to list an evolutionary significant unit (ESU) of mountain lion (*Puma concolor*) in southern and central coastal California as a threatened or endangered species for its February 11-12, 2026 meeting. It is expected that consideration of the petition will be heard February 12, 2026 in Sacramento, California.

Consideration of the petition will be heard at the California Natural Resources Headquarters Building, 715 P Street, Sacramento, California. Members of the public can participate in person or via webinar/teleconference. Instructions for participation in the hearing will be posted at www.fgc.ca.gov in advance of the meeting or may be obtained by calling 916-653-4899.

The agenda of the February 11-12, 2026 meeting, and the agendas and video archive of previous meetings where actions were taken on mountain lion are available online at <http://www.fgc.ca.gov/meetings/>.

Pursuant to the provisions of Fish and Game Code, sections 2075 and 2075.5, the Commission will consider the petition and all other information in the record before the Commission to determine whether listing the mountain lion ESU as a threatened or endangered species is warranted.

The petition, the California Department of Fish and Wildlife's evaluation report, and other information in the records before the Commission are posted on the Commission website at <https://fgc.ca.gov/CESA>.
