Materials Presented for the Hearing

Applicants and members of the public are encouraged to submit materials to staff via email but must do so no less than 30 minutes in advance of a hearing. All materials (including but not limited to models, pictures, videos, etc.) presented by any person speaking on any item on the agenda are considered part of the administrative record for that item and must be retained by the Design Review Officer until such time as all administrative appeals are exhausted and the time for legal challenge to a decision on the item has passed. If you wish to retain the original of an item, a legible copy must be forwarded to the Design Review Officer. An electronic copy of a photograph must be submitted.

Public Records

Public records that relate to any item on the open session agenda for a regular Coastside Design Review Committee (CDRC) meeting are available for public inspection. Those records that are distributed less than 72 hours prior to the meeting are available for public inspection at the same time they are distributed to all members, or a majority of the members of the CDRC.

Decisions & Appeals Process

The Coastside Design Review Committee will make a decision when design review is the only application being considered or make a recommendation to a different decision maker when additional planning applications are associated with the project (e.g., use permit, grading permit, etc.). Decisions made by the Coastside Design Review Committee are appealable to the Planning Commission when an appeal is provided by law or regulation. As of January 1, 2025, the appeal fee is \$1,962 which covers additional public noticing and applicable surcharges. Appeals must be filed no later than ten (10) working days following the date the Letter of Decision is issued. Appeals can be sent via email to ltopete@smcgov.org or to the San Mateo County Planning Counter located at 455 County Center, 2nd Floor, Redwood City. The full amount of the appeal fee must be presented to the County within the time provided for an appeal to be timely. **Matters on the agenda for which the Coastside Design Review Committee will make a decision (not a recommendation) are anticipated to result in a Letter of Decision dated the Monday after the hearing date with a corresponding appeal period starting from the decision letter date;** interested parties should request a copy of the Letter of Decision to ensure timeliness of their appeal. You may submit your request to ltopete@smcgov.org.

***INSTRUCTION FOR PUBLIC COMMENT DURING MEETINGS**

Spoken Comments

If you wish to speak to the CDRC please fill out a speaker's slip. If you have anything that you wish distributed to the CDRC and included in the official record, please hand it to the Coastside Design Review Officer who will distribute the information to the CDRC members and staff.

Remote Public Participation Option

1. When the Committee calls for the item on which you wish to speak, click on "raise hand" or *9 if calling in on a phone. The Design Review Officer will activate and unmute speakers in turn. Speakers will be notified shortly before they are called to speak.
2. When called, please limit your remarks to the time limit allotted.

Written Comments:

Written public comments may be emailed in advance of the meeting. Please read the following instructions carefully:

1. Your written comment should be emailed to the Coastside Design Review Officer at ltopete@smcgov.org.
2. Your email should include the specific agenda item on which you are commenting or note that your comment concerns an item that is not on the agenda or is on the consent agenda.
3. Members of the public are limited to one comment per agenda item.
4. The length of the emailed comment should be commensurate with the three minutes customarily allowed for verbal comments, which is approximately 250-300 words.
5. If your emailed comment is received by 5:00 p.m. on the day before the meeting, it will be provided to the Members of the CDRC and made publicly available on the agenda website under the specific item to which your comment pertains. If emailed comments are received after 5:00 p.m. on the day before the meeting, the Coastside Design Review Officer will make every effort to either (i) provide such emailed comments to the CDRC and make such emails publicly available on the agenda website prior to the meeting, or (ii) read such emails during the meeting. Whether such emailed comments are forwarded and posted, or are read during the meeting, they will still be included in the administrative record.
