BEACH SAFETY

If you plan on coming to the beach, remember these important safety tips:

- Allow for **extra time** and prepare for **increased traffic**.
- Drive **sober**, eliminate **distractions** and drive **safely**.
- **Stay off rocks** and **never turn your back** on the ocean.
- **Stay alert** at the beach and **keep children within arm's reach** at all times.
- Know the risks **even on calm days**. Sudden large waves and strong currents can **suddenly sweep people** into the water.

If you see someone in need of assistance, **call 911**.
