---

As a member of the County Board of Supervisors, I am deeply grateful to the County staff whose dedication and unwavering commitment support the wellbeing of all residents throughout the County of San Mateo. Their daily efforts, professionalism, and public service help shape a resilient future for our communities and ensure that County programs and services continue to meet the evolving needs of those we serve.

I would also like to recognize the many individuals and partners whose information, expertise, and collaboration made the Recommended Budget possible. The dedication of public servants across all departments, together with the support of our community-based partners, reflects the strength of our collective commitment to effective and compassionate governance. Through the leadership of the Board of Supervisors and our continued focus on the Board Priority Areas of Children, Families and Seniors, Housing and Homelessness and Emergency Preparedness, we remain committed to fostering a healthy, safe, prosperous, livable, collaborative, and environmentally conscious community for current and future generations.

— NOELIA CORZO, District 2 Supervisor (2026 Board President)

## County Executive's FY 2026-27 Recommended Budget Message

Honorable members of the Board of Supervisors,

It is my pleasure to submit to you the Recommended Budget for Fiscal Year 2026-27.

In the second year of our two-year budget cycle, this Recommended Budget proposes allocating \$5.2 billion for all funds, of which \$3.8 billion are County General Funds. These allocations support the Board's priorities, while meeting the mandates and general obligations that the county is responsible for throughout the next fiscal year.

The County remains focused on preserving core services, advancing the Board's priorities, and maintaining long-term fiscal stability. In developing this Recommended Budget, staff have taken deliberate, proactive steps to account for evolving economic conditions and potential changes in State and Federal policy particularly with respect to the County's In-Lieu Vehicle License Fee revenue (VLFAA) and the One Big Beautiful Bill Act (2025-2026) H.R.1. This budget is based upon currently available information related to these conditions and includes actions that will allow the County to respond effectively as conditions evolve.

The importance of the VLFAA issue cannot be overstated. The County and its cities are currently owed more than \$157 million, comprised of \$38 million from FY 2023-24 and \$119 million from FY 2024-25. The County's share of this loss is \$93 million. Compounding the impacts of this State-taking is the likelihood that additional school districts are likely to turn Basic Aid, making the whole of VLF annual funding (\$300 million total / \$168 million County) highly uncertain into the future.

Because VLFAA represents a substantial portion of the County's general fund revenues, approximately 18% in the FY 2026-27 Recommended Budget, any reduction, delay, or disruption of payment has significant implications for ongoing operations and services. Consistent with the County's position that these revenues are owed, the Recommended Budget fully incorporates VLFAA. At the same time, staff have proactively developed contingency strategies should the State not pay.

The strategies include the use of reserves as a one-time bridge to maintain services. This temporarily avoids service disruptions, preserving stability, while providing a defined period to evaluate and implement any required structural adjustments.

Recognizing this uncertainty and that we have finite reserves, staff have intentionally built flexibility into this budget and are actively monitoring developments at the State level. Should circumstances materially change, staff can promptly return to the Board with updates and adjustments to our fiscal outlook.

Beyond VLFAA, the County has taken steps to address broader economic and intergovernmental risks shaping this year's budget by evaluating revenue assumptions in light of inflationary pressures, shifting consumer activity, and volatility in the real estate market.

Recent federal changes under H.R. 1 are expected not only to impact safety net services for tens of thousands of residents but also create significant impacts across County Health and the Human Services Agency (HSA), increasing workloads, shifting costs to the County, and placing added pressure on safety net services. For County Health, Medi-Cal enrollment is projected to decline, impacting as many as 53,700 residents and increasing the uninsured population. San Mateo Medical Center (SMMC) is projecting financial losses of \$24.9 million in FY 2026-27 and \$19.7 million in FY 2027-28 if current service levels are maintained. In response, SMMC is implementing an operational redesign to improve efficiency, expand access, and stabilize finances, while County Health continues to monitor Medi-Cal enrollment trends, shifts to the Access and Care for Everyone (ACE) program, and emergency room utilization. Additional federal policy changes, including new work requirements and more frequent eligibility renewals anticipated in January 2027, may further increase demand for County-funded care.

For the Human Services Agency, approximately 59,000 Medi-Cal beneficiaries may be impacted by new eligibility and renewal requirements, increasing the risk of coverage loss. CalFresh, which currently serves about 33,000 residents (4.4% of the County population), is also expected to see increased workload due to changes in eligibility rules and work requirements, without additional federal funding. To prepare, HSA has set aside a one-time appropriation of \$12.0 million to address increased workload and cost-sharing responsibilities, including an estimated \$2.0 million in overtime costs in the current fiscal year and to continue in FY 2026-27. In addition, expanded Able-Bodied Adults Without Dependents (ABAWD) work requirements and reinstated time limits are expected to increase screening, verification, and ongoing case management workload for CalFresh, resulting in approximately \$1.4 million in ongoing annual administrative costs based on statewide estimates. Reduced federal support is expected to shift further costs to the County, with estimated impacts ranging from \$2.6 million to \$8.8 million annually beginning in FY 2026-27, and potential exposure of \$4.0 million to \$12.0 million annually starting in FY 2027-28.

In this year's budget process departments have kept a clear and realistic perspective, planning not only for near term balance but also preparing for multiple fiscal scenarios. This work reflects an ongoing Countywide effort to strengthen operational resilience, improve efficiency, and align resources with the most essential services. As part of this effort, staff are reviewing organizational structures and continuing to identify opportunities for strategic adjustments that enhance service delivery while maintaining fiscal discipline. These efforts are guided by a clear prioritization of mandated services, while carefully examining discretionary and non-mandated activities. Staff approaches this work thoughtfully and strategically, with the goal of protecting the services residents rely on most while planning for a range of contingencies that strengthen the County's fiscal resilience. At the same time, the County is continuing to invest in the internal improvements necessary to operate more effectively over the long term. This includes implementation of a new budget system and other efforts to improve planning, transparency, coordination, and operational efficiency across departments. These foundational improvements are important not only in times of stability, but especially in times of uncertainty, when the ability to respond quickly and make sound decisions is critical.

**“Success is not final; failure is not fatal: it is the courage to continue that counts.”**

**- Winston Churchill**

The County has consistently demonstrated its ability to plan prudently, adapt responsibly, and continue delivering essential public services even in challenging conditions. That work continues in FY 2026-27 as the County focuses on this Board’s priorities serving residents effectively, and navigating this period with the care, discipline, and transparency it requires.

This Recommended Budget is intended to set the stage for the year ahead. It reflects our best assessment of current conditions while recognizing that circumstances may change before final adoption and during the fiscal year itself. Should additional information regarding VLFAA, State actions, federal funding, or other material factors warrant changes, staff will return to the Board with updated recommendations.

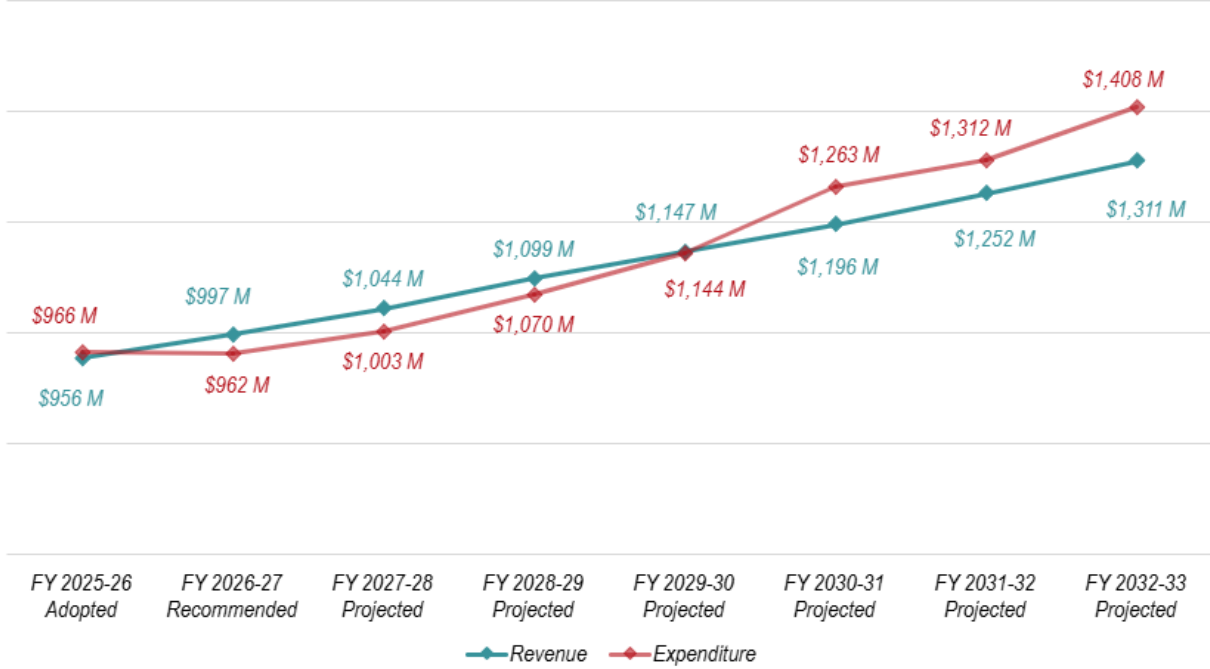

### **Ongoing General Fund Revenues and Expenditures**

To provide a clearer picture of the County’s fiscal trajectory, the following tables outline General Fund revenues and expenditures over the next seven years under two scenarios. The first reflects the recommended budget, including 100% of VLFAA and current economic assumptions. The second presents a more cautious outlook, excluding VLFAA revenues and incorporating projected expenditure pressures in future years related to potential H.R. 1 impacts

Position costs represent a significant portion of the County’s budget and program delivery costs. Overall personnel costs rise by 6.2%, driven primarily by negotiated salary adjustments, higher healthcare costs, and increased workers’ compensation insurance. Regular pay increases by \$32.6 million to \$661.7 million, healthcare by \$15.1 million to \$109.4 million, retiree benefits by \$9.3 million to \$181.1 million, and workers’ compensation by \$3.7 million to \$7.3 million.

Negotiated salary adjustments include increases of 8% for the Deputy Sheriff’s Association (DSA), 6% for the Organization of Sheriff’s Sergeants (OSS), and 4% for AFSCME, BCTC, Management, and SEIU. An additional 1% increase for these latter groups remains pending, subject to legislative and gubernatorial approval of a permanent fix for the In-Lieu Vehicle License Fee shortfall.

### General Fund Discretionary Revenue and Expenditure Projections w/ VLFAA

### General Fund Discretionary Revenue and Expenditure Projections w/o VLFAA

## Reserves

The budget maintains General Fund Reserves and Contingencies above 15 percent, as required by the Board's Long-Term Financial Policies. Combined General Fund Reserves (including Departmental and Non-Departmental Reserves) are 17.8 percent of Net Appropriations for FY 2026-27. In the attached table, the FY 2026-27 Recommended Budget includes a slight year-over-year reduction in Reserves. This decrease is related to current-year changes and timing. It is anticipated that Reserves will decrease through the Year-End close process and the September Revisions Budget will align the Reserves balances with finalized current-year values and updated fund balance estimates as Net Appropriations increase. As noted above, Reserves may also decrease if they are needed to cover the VLFAA shortfall.

County of San Mateo Agencies by Fund	FY 2025-26 Budgeted Reserves	FY 2026-27 Revised Reserves	Variance
<b>Operating Depts - General Fund</b>			
Criminal Justice	59,999,817	59,784,165	(215,652)
Health Services	29,871,730	30,616,339	744,609
Social Services	36,250,466	33,305,573	(2,944,893)
Community Services	23,074,114	21,808,103	(1,266,011)
Admin-Fiscal	28,715,347	30,053,661	1,338,314
Subtotal Operating Depts - General Fund	177,911,474	175,567,841	(2,343,633)
<b>Non-Departmental - General Fund</b>			
Non-Departmental Services	403,720,107	397,113,306	(6,606,801)
Subtotal Non-Departmental - General Fund	403,720,107	397,113,306	(6,606,801)
<b>Non-General Fund</b>			
Health Services	27,852,079	24,235,252	(3,616,827)
Community Services	140,195,937	133,040,316	(7,155,621)
Admin-Fiscal	14,318,594	8,591,333	(5,727,261)
Subtotal Non-General Fund	182,366,610	165,866,901	(16,499,709)
<b>Total ALL Funds</b>	763,998,191	738,548,048	(25,450,143)

### Budgeted General Fund Reserves (in Millions)

### Position Adjustments

There is a net addition of 61 positions in FY 2026-27. Sixty-one positions were added for All County Funds; this includes General Fund (52) and Non-General Fund (9) positions.

Prior to the FY 2026-27 Recommended Budget, the following changes were approved through Salary Resolution Amendments (SRA) between January through April and are incorporated into the FY 2026-27 Recommended Budget. Including:

- **Health IT** added 35 positions to support Phase II of the Electronic Health Record (EHR) implementation across County clinics.
- **Sheriff’s Office** added three positions to support increased forensic and investigative workload, including human trafficking efforts.
- **Human Resources Department** added two positions to enhance retiree health administration and workforce planning.
- **Department of Public Works** added two positions to support organizational alignment and increased public outreach.
- **District Attorney’s Office** added five positions to support the Human Trafficking Unit and Family Justice Center.

The following position changes are proposed for this Board’s approval as part of the FY 2026-27 Recommended Budget. Including:

- **San Mateo Medical Center (SMMC)** adds three Dentists and six Dental Assistants to expand dental services at the North County Wellness Center, improving access and reducing wait times.
- **Sheriff’s Office** adds one Program Manager to serve as an Ombuds resource and intermediary for individuals who are incarcerated, as well as their families, attorneys, and community-based

organizations to raise concerns related to the Corrections Division, and one Management Analyst to support emergency services coordination with the Department of Emergency Management.

- **District Attorney's Office** adds one Legal Office Assistant II and two Paralegal to support unit operations.
- **Office of Sustainability** adds one Administrative Services Manager I to the Administration to support the division's budget, assist with the management of department-wide grants and overall operations.

***For further information on the position adjustments above, please refer to Appendix E.***

## **Capital Projects**

All current capital projects are fully funded, with a total budget of approximately \$459 million. As part of the two-year budget cycle, \$225 million is budgeted in FY 2026-27 for current capital expenditures which include \$83.1 million in project rollover funding from prior years and \$19.7 million in additional funding adjustments to address evolving project needs. The remaining \$234 million of capital project funding is budgeted in Non-Departmental Services and will continue to be rolled forward for capital expenditures in future fiscal years. Some examples of these ongoing projects include: the Hall of Justice improvements, Pescadero Fire Station, Mitten Road property upgrades, and improvements to County Center, including County Office Building 1 and the Promenade. By fully funding projects upfront, the County can leverage significant one-time discretionary resources in the short term to create ongoing savings in the future by ensuring all County facilities are developed and refurbished in a manner that reduces future maintenance costs associated with aging and outdated facilities and infrastructure. This strategy supports more informed decision-making around ongoing funding commitments and overall fiscal sustainability.

The FY 2026-27 capital program reflects the continued progression and closeout of a large number of projects across departments, particularly within Public Works, which accounts for the majority of capital activity. Investments remain concentrated in facility improvements, infrastructure upgrades, energy efficiency initiatives, and regulatory compliance projects, including ADA improvements, elevator modernizations, and critical system replacements at County facilities. Additionally, targeted investments in parks, technology systems, and emergency preparedness infrastructure demonstrate a balanced portfolio that supports both core operations and community-serving assets.

Consistent with the County's 5-Year Capital Plan, the overall program continues to transition away from the peak construction period of the past decade toward a more maintenance- and modernization-focused portfolio. This shift is reflected in the significant volume of rollover funding, indicating projects advancing through later stages of completion, as well as more targeted new appropriations. Organizationally, this evolution is accompanied by the continued wind-down of centralized project development functions and the integration of capital delivery responsibilities into departmental operations, aligning resources with ongoing capital maintenance and asset management needs.

## **Significant Budget Adjustments**

- State and Federal Policy Changes

To reflect recent federal and Medi-Cal policy changes, the San Mateo Medical Center (SMMC) will adjust their budget to account for a freeze on Medi-Cal enrollment for individuals with Unsatisfactory Immigration

Status (UIS) and the elimination of Prospective Payment System (PPS) reimbursement and dental coverage for UIS adults. These changes may reduce access to coverage and services, potentially increasing the number of uninsured patients and demand for care. To align with these impacts, the SMMC will reduce salary, benefits, and extra help costs and update intergovernmental and program revenues. These ongoing adjustments total \$3,710,232 and will take effect beginning July 1, 2026.

- Navigating Fiscal Adjustments

County Health's Public Health Policy and Planning (PHPP) division anticipates an estimated \$7 to \$9 million shortfall as grant funding sources wind down. County Health has been actively planning for this transition and is continuing to refine a multi-year strategy to address the shortfall. A detailed plan will be presented as part of the September budget to support long-term fiscal sustainability and ensure continuity of services.

- Strengthening Departmental Fiscal Stability

The Sheriff's Office, in coordination with the County Executive's Office, will receive a one-time infusion of Year-End Fund Balance to support progress toward required Reserve levels. The County Executive's Office will continue active oversight to ensure progress toward the two percent reserve target of Net Appropriations, with final adjustments reconciled at year-end. Consistent with the County's Reserves Policy, the department remains responsible for maintaining ongoing reserve levels to help mitigate service impacts during periods of fiscal strain.

- Maintaining Core Services and Operations

The Sheriff's Office will implement a one-time investment in the amount of \$800,000 to support the hiring of extra help staff to reduce the backlog of concealed carry weapon permit applications, helping ensure more timely and responsive service for residents and to improve public service and strengthen operations.

- Infrastructure and Community Safety

Starting July 1, 2026, the County will invest a one-time amount of \$750,000 from Non-Department Services/General Fund to support the Moss Beach SR-1 Congestion and Safety Improvements Project. A matching contribution was required as part of an application for \$6,750,000 in support funding through the San Mateo County Transportation Authority's 2025 Measure A and Measure W Highway Program. This project will improve safety and mobility for residents and visitors by expanding multimodal transportation options and adding upgrades such as safer pedestrian crossings and a dedicated bicycle and walking path, helping create a safer and more accessible Moss Beach community.

- Technology and System Improvements

To update systems and improve service delivery across departments, the County will make several one-time technology investments beginning July 1, 2026, including:

- SamCERA is investing \$10,000,000 in a one-time upgrade to its pension administration system, providing more efficient, accurate, and reliable tools to manage retirement benefits
- Sheriff's Office will use \$2,500,000 from Proposition 172 to fund a new jail management system, replacing outdated software and supporting more efficient and safe jail operations
- Technology Services Department (TSD) is planning multiple investments such as:
  - \$1,997,443 in Human Resources Information Systems upgrades
  - \$1,730,642 in IT system enhancements and working capital improvements, \$1,974,145 in countywide server and website upgrades
  - \$1,795,307 in core and server infrastructure replacement.
- County Executive's Office is investing:
  - \$837,306 in artificial intelligence (AI) analysis and functionality development tools for the County's budget system.
  - \$300,000 for ongoing licensing and maintenance of the Salesforce assessment appeals portal, which allows the public to access information and submit appeals and related documents online, improving the overall customer experience.
  - An open Request for Proposals (RFP) for an agenda management software solution to manage the preparation, publication, live meeting management, distribution, and archiving of the Board of Supervisors agendas, supplemental materials, minutes, and associated records.

**“Efforts and courage are not enough without purpose and direction.”**

**- John F. Kennedy**

## **Priority Areas**

### **Children, Families and Seniors**

The County remains committed to supporting the well-being of children, families, and seniors through coordinated efforts across departments. The Parks Department continues to expand access to safe, inclusive outdoor spaces by improving playgrounds, picnic areas, campgrounds, and visitor facilities, while offering programs such as Junior Rangers, Take A Hike events, and school-based education in Title I schools to better serve underserved communities.

Through the Human Services Agency, Children & Family Services continues to strengthen its prevention-focused, family-first approach by expanding evidence-based services under the Family First Prevention Services Act, including the Community Pathway and Differential Response programs, which connect families to support before crises escalate. The County also continues to sustain critical residential programs for youth with the highest needs while preparing for statewide system changes, including implementation of the new Child Welfare Services – California Automated Response and Engagement System (CWS-CARES) to improve service coordination and outcomes.

County Health's Behavioral Health and Recovery Services (BHRS) continues to expand services, with approximately \$5 million invested in youth services focused on early intervention, access, and integrated

mental health and substance use supports for youth ages 0-25. A key initiative includes the release of an Early Intervention Services Request for Proposals (RFP) in Summer 2026 to strengthen how youth are identified, assessed, and connected to care following a crisis, with a focus on reducing disparities and expanding access for underserved populations. BHRS also continues to partner with the San Mateo County Office of Education and local school districts to enhance school-based behavioral health supports, including coordination through multidisciplinary teams and individualized education programs. In addition, BHRS is expanding perinatal substance use disorder services in partnership with San Mateo Medical Center by training providers and strengthening referral pathways to better support pregnant and parenting youth and families.

In FY 2026-27, these efforts will continue to expand access to services, strengthen families, and ensure children and youth receive timely, coordinated support that promotes long-term stability and well-being.

### **Housing and Homelessness**

The County continues to advance a comprehensive response to homelessness and expand access to affordable housing. In FY 2025-26, the Human Services Agency operated 10 shelter and interim housing sites and four regional outreach teams, expanding services to meet community needs. The Inclement Weather Shelter served 169 individuals, including 19 families, over 30 nights, and the hotel-based Overflow Shelter Program expanded capacity from 20 to 30 rooms for families when other shelters were unavailable.

Additionally, the County secured more than \$5 million in State Homeless Housing, Assistance, and Prevention (HHAP) funding to support interim housing and prevention efforts, with additional funding anticipated. Encampment resolution efforts funded by a State ERF grant resulted in 15 of 26 encampments being resolved, with 89 individuals moved into shelter or housing as of March 2026. Additionally, \$1.8 million in State funds was committed to support 17 units of permanent supportive housing at the Ridge at Ralston development.

The Department of Housing (DOH) continues to expand and preserve affordable housing opportunities across the County. In FY 2025-26, the Housing Authority maintained stable federal funding to support 5,521 households through rental assistance programs. Looking ahead, four affordable housing projects are anticipated to begin construction in FY 2026–27, creating 306 new affordable homes. DOH also plans to award over \$29 million through the Affordable Housing Fund to support future developments. Additional efforts include advancing affordable housing on County-owned sites, including redevelopment of the current law library site in Redwood City, and planning for housing development across 12 County-owned properties. Key projects moving forward include completion of a Homekey project at 721 Airport Boulevard, providing 45 affordable senior housing units, and the development of five affordable housing units for transitional-aged youth in San Mateo, expected to break ground in Summer 2026.

County Health continues to support housing stability through Behavioral Health Services Act (BHSA) Housing Interventions, with \$15 million in FY 2026–27 to expand and stabilize housing for individuals with behavioral health needs. Funding supports capital development, operating subsidies, housing vouchers, rental assistance, property management, and on-site supportive services across the County's permanent

supportive housing portfolio. In coordination with the Department of Housing, these resources may also assist individuals at risk of losing or being unable to access federal housing subsidies

In FY 2026-27, the County continues to expand housing opportunities, strengthen outreach and prevention strategies, and maintain a coordinated system of care to reduce homelessness and support long-term housing stability for residents across San Mateo County.

### **Emergency Preparedness**

Emergency Preparedness remains a critical County priority. The Parks Department supports the County's Emergency Preparedness efforts by maintaining park infrastructure that also serves critical public safety needs. In FY 2026–27, the Department will continue wildfire prevention efforts through vegetation management and fire fuel reduction, while maintaining emergency access roads and evacuation routes for first responders. Additional investments in hazardous tree removal, infrastructure repairs, and vehicle replacements will strengthen emergency response capabilities and help protect residents, open space, and critical infrastructure.

The Department of Emergency Management (DEM) will continue expanding community preparedness, emergency alerts, and inter-agency coordination through Measure K-funded partnerships and outreach efforts. In FY 2026-27, DEM will strengthen One County One Voice, a countywide public information initiative focused on delivering clear, consistent, and multilingual emergency messaging supported by media toolkits and outreach materials grounded in best practices and social science research. DEM will also expand community preparedness events and trainings, including the County's Annual Disaster Preparedness Day. In addition, the Department will strengthen partner readiness through emergency alert and warning exercises, preparedness activities, and ongoing coordination with law enforcement, fire agencies, city managers, emergency managers, and elected officials across the Operational Area and Coastside communities.

### **Conclusion**

**“Character cannot be developed in ease and quiet. Only through experience of trial and error can the soul be strengthened.”**

**- Helen Keller**

While the County remains fiscally stable, this environment requires a disciplined and thoughtful approach to sustain services and meet the needs of our residents. We will continue working in partnership with the cities and regional partners, advocating for resources and navigating these challenges together. I also want to thank the elected officials, city managers, and labor partners who stood shoulder to shoulder with us in Sacramento as we continue advocating for our VLFAA funding.

We remain cautiously optimistic that the State will fully resolve the VLFAA issue, as these are funds the County depends on to support core services. At the same time, we are preparing for a range of outcomes to ensure we remain flexible and responsive. This includes careful monitoring of federal and state actions,

the strategic use of reserves, and, where necessary, targeted reductions, recognizing that any reductions have real impacts.

Even in a constrained environment, the County is committed to delivering the highest level of service possible. Through a focused and resilient approach, we will continue to support our communities and ensure that San Mateo County remains a place where residents can thrive.

Sincerely,

A handwritten signature in blue ink that reads "Mike Callagy". The signature is written in a cursive, flowing style.

Michael P. Callagy  
County Executive Officer

**RESOLUTION NO. .**

**BOARD OF SUPERVISORS, COUNTY OF SAN MATEO, STATE OF CALIFORNIA**

\* \* \* \* \*

**RESOLUTION APPROVING THE FY 2026-27 RECOMMENDED BUDGET  
SUBMITTED BY THE COUNTY EXECUTIVE**

---

**RESOLVED**, by the Board of Supervisors of the County of San Mateo, State of California, that

**WHEREAS**, the County Budget Act (Government Code §§ 29000-29144) requires that each county have a Recommended Budget, approved by its Board of Supervisors, in place on July 1 of each fiscal year; and

**WHEREAS**, on May 22, 2026, the County Executive posted the Fiscal Year (FY) 2026-27 Recommended Budget on the County's Budget, Policy, and Performance webpage accessible to the public, and on that date also submitted the FY 2026-27 Recommended Budget to this Board for its consideration; and

**WHEREAS**, the FY 2026-27 Recommended Budget submitted herewith includes such revisions deemed necessary for the purpose of having authority to spend until the budget is formally adopted in September 2026 and contains estimates of Fund Balances which will be finalized after the June budget hearings and upon the conclusion of FY 2025-26 year-end closing activities, and the Board desires to approve the same.

**NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED** that:

1. The budget recommended by the County Executive for FY 2026-27, including all fixed assets and revisions, is hereby approved and shall be the Recommended Budget of the County of San Mateo for FY 2026-27; and

2. All final FY 2025-26 Fund Balance adjustments shall be part of the FY 2026-27 Recommended Budget and shall be made in accordance with the County Reserves Policy and Fund Balance guidelines; and

3. The time for adoption of the FY 2026-27 budget shall be extended to no later than October 2, 2026, and expenditures until said budget is adopted shall be made in accordance with the Recommended Budget.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases, including merit increases and adjustments to retiree health contributions; increases in internal service charges; elimination of one-time revenues and expenditures; and increases to Interagency agreement expenditures. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Net funding adjustments in FY 2026-27 total \$2,917,244.

<b>Requirements</b>	
Gross Appropriations	(2,681,713)
Intrafund Transfers	(200,000)
Contingencies/Dept Reserves	(1,496,320)
Net County Cost	2,917,244
Positions	—

**2. Position Adjustments:** This action moves: one Sheriff's Captain position from the Administrative Services Division to the Support Services Division; one Sheriff's Lieutenant position from the Support Services Division to the Administrative Services Division, one Sheriff's Sergeant from the Administrative Services Division to the Support Services Division; one Management Analyst within the Administrative Services Division; and one Administrative Assistant II within the Administrative Services Division. In addition, this action adds one Accountant II – Exempt, one Contract Administrator I, two Financial Services Manager I, one Associate Management Analyst, one Fiscal Office Specialist, one Administrative Services Manager I, and one Information Technology Manager. This action also deletes one Accountant II – Unclassified, one Fiscal Office Services Supervisor – Exempt, one Communications Officer, one Executive Assistant – Confidential, and one part-time Office Specialist. These changes are fully offset by changes in other program areas and align staffing needs in FY 2026-27. See Appendix E for further information.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases, including merit increases and adjustments to retiree health contributions; decreases in internal service charges; and elimination of wrap around program staff cost reimbursements. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Net funding adjustments in FY 2026-27 total \$507,794.

**2. Position Adjustments - Family Justice Center:** This action adds one Program Services Manager II, one Management Analyst and one Fiscal Office Specialist to support the newly created Family Justice Center. This change was approved by the Board of Supervisors through the February 10, 2026, Salary Resolution Amendment. These positions support the establishment of the Family Justice Center to deliver a coordinated, survivor-centered response to domestic violence, child abuse, and other forms of abuse by co-locating essential services in a single, safe, and accessible location.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases, merit increases; increases in internal service charges; and elimination of one-time revenues and expenditures. Existing Measure K revenues and expenditures are also adjusted here to restore funding that was temporarily removed due to budget uncertainties. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Net funding adjustments in FY 2026-27 total (\$30,668).

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases, merit increases and adjustments to retiree health contributions; adjustments in internal service charges; and elimination of one-time revenues and expenditures. To align with the current level budget, this update also reflects budget changes to the Electronic Health Record budget that were approved by the Board of Supervisors in January 2026, as part of the Phase II implementation. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Funding adjustments net to zero.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases, merit increases and adjustments to retiree health contributions; adjustments in internal service charges; and elimination of one-time revenues and expenditures. Existing Measure K revenues and expenditures are also adjusted here to restore funding that was temporarily removed due to budget uncertainties. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Net funding adjustments in FY 2026-27 total (\$67,468).

**2. Measure K - Senior Nutrition Services:** This action allocates \$2,000,000 from Measure K Reserves, \$1,000,000 per year over the next two fiscal years, to support meal services for older adults. This funding responds to increased demand identified by Community Based Organization partners and the loss of one-time COVID relief funding.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases, including merit increases and adjustments to retiree health contributions; increases in internal service charges; and elimination of one-time revenues and expenditures. Adjustments also incorporate Behavioral Health and Recovery Services Act (BHSA) revenue resulting from the implementation of Proposition 1, along with associated expenditures for the expansion of the Electronic Health Record (EHR). Existing Measure K revenues and expenditures are also adjusted here to restore funding that was temporarily removed due to budget uncertainties. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Net funding adjustments in FY 2026-27 total (\$3,636,578).

**2. Position Adjustments:** This action deletes one Quality Assurance Manager, one Mental Health Program Specialist, and one Peer Support Specialist and adds one Clinical Services Manager II, one Mental Health Clinician, and one Psychiatric Social Worker to strengthen audit, compliance, monitoring, and performance measurement functions. These positions will also provide licensed clinical expertise, ensure regulatory compliance, and support key oversight functions. These positions will help Behavioral Health and Recovery Services meet increased requirements from the State Department of Health Care Services. The change was approved by the Board of Supervisors through the January 27, 2026 Salary Resolution Amendment.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases, merit increases and adjustments to retiree health contributions; adjustments in internal service charges; and elimination of one-time revenues and expenditures. Supplemental revenues were adjusted as follows: sales tax realignment is expected to increase, offset by a decrease in SB1732, a program providing supplemental reimbursement to disproportionate share hospitals (DSH) for the debt service costs of approved capital construction, and a decrease in the Enhanced Payment Program. The net decrease will be covered by an increase in revenue from the voluntary rate range (VRR), the quality incentive pool program, and non-operating revenue. Additionally, drug expenses were increased to cover the escalation of costs, with \$2,000,000 added to reflect the increased contribution required for the electronic health record (EHR) operation, and debt service was also increased. Existing Measure K revenues and expenditures are also adjusted here to restore funding that was temporarily removed due to budget uncertainties. Net funding adjustments net to zero.

**2. Position Adjustments:** This action deletes one Community Program Specialist, one Fiscal Office Assistant II, one Nurse Practitioner, one Health Services Manager I and one Psychiatric Nurse and adds one Social Worker Supervisor, one Fiscal Office Specialist, one Nurse Practitioner, one Health Services Manager I, and one Psychiatric Nurse. These adjustments better align staffing with operational needs and ensures appropriate coverage for patient care and support services.

**4. 39th Avenue Clinic Access and Capacity Expansion:** This action increases patient net revenue by expanding clinic capacity to provide timely care for routine, low-acuity visits referred through the New Patient Connection Center. This improves access, supports smoother patient flow, and allows the clinics to serve more patients. The increase in patient net revenue is offset by a decrease in supplemental revenue.

**5. Medi-Cal Adjustments:** This action adjusts revenues and expenditures to reflect the freeze on Medi-Cal enrollments for people with Unsatisfactory Immigration Status (UIS) as defined by the federal government. This includes the elimination of Prospective Payment System (PPS) reimbursement and dental coverage for UIS adults. These changes include reductions in staff salary, benefit, and extra help costs, along with updates to intergovernmental and program revenues to offset revenue losses. The result is a net zero change to Net County Cost.

**6. Position Adjustments - North County Wellness Center:** This action adds three Dentists and six Dental Assistants to help provide dental services to the community. Additionally, it reduces supplemental revenue to offset expenses related to the North County Wellness Health Center. The center is expected to be completed by January 2027 and will house the relocated South San Francisco Health Center while expanding services.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases, merit increases and adjustments to retiree health contributions; adjustments in internal service charges; and elimination of one-time revenues and expenditures. Appropriations for the Baby Bonus program are increased to support its third year of implementation and ongoing service delivery. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Net funding adjustments in FY 2026-27 total \$1,533,502.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: salary and benefit adjustments, including increases to health plan and workers compensation insurance contributions and decreases to County retirement contributions; adjustments to fund and align with internal service charges; increases to revenue from updated lease agreements; and the elimination of one-time revenues and expenditures. Existing Measure K revenues and expenditures are also adjusted here to restore funding that was temporarily removed due to budget uncertainties. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Net funding adjustments in FY 2026-27 total \$613,029.

**2. Measure K - Appropriations for Non-Capital Projects and Programs:** This action allocates Measure K funding to support Natural Resource Management, Fire Mitigation, and Parks Operations and Maintenance initiatives. The funding will assist with ongoing programs and address the operational and maintenance needs of the County's park system. Specifically, funding will be used to help operate the County's park system; enhance the visitor experience; address deferred maintenance; protect and steward natural resources; replace outdated facilities; remove hazardous trees; mitigate wildfire risk; and improve playgrounds, picnic areas, campgrounds, restrooms, culverts, and trails throughout County parks.

**3. Non-Departmental Services Rollover for Non-Capital Projects and Programs:** This action rolls forward funding from Non-Departmental Services into FY 2026-27 to support the continuation of two existing initiatives: the geographic information system (GIS) project (\$202,730) and the Tree Risk Management Program (\$1,200,000). The Tree Risk Management Program focuses on identifying and mitigating hazardous trees that pose potential health and safety risks across the County's park system.

**4. Trust Fund Transfers for Park Needs:** This action appropriates funding from the planned transfers of previously received and general donations held in the trust funds for the following parks: Coyote Point Park; San Pedro Valley Park; Fitzgerald Marine Reserve; San Bruno Mountain Park; Huddart Park; Wunderlich Park; Edgewood Park; and Memorial Park. These funds will be used to support projects and/or purchases that are necessary or not fully funded in FY 2026-27. All donations will be applied exclusively to the park for which they were originally designated (e.g., a donation to Huddart Park will be used solely for Huddart Park-related project or purchases).

**2. Measure K - Appropriations for Capital Projects:** This action allocates Measure K funding in FY 2026-27 to help fund two projects, including the Coyote Point Modernization Project (\$1,500,000) and Parkwide Paving (\$1,000,000). Funding for the Coyote Point Modernization Project will build on the replacement of the Magic Mountain Playground and be used, in part, to continue to address deferred maintenance and fund improvements to the Magic Mountain Playground restroom. Funding could also be used to renovate or replace the Beach Center and adjacent restroom, landscape upgrades to the park's central field, or sewer line upgrades should there be remaining funding or if the Parks Department receives federal funding for the restroom. This allocation for these efforts will continue to be designated under the Parks Capital Projects Measure K initiative.

**7. Grant Rollover for the Replacement of the Magic Mountain Playground:** This action is added to rollover federal funding for the replacement of the aging Magic Mountain Playground at the Coyote Point Recreation Area. The funding, secured by U.S. Representative Kevin Mullin in FY 2024-25, will support the development of a new and accessible playground designed to accommodate visitors of all ages and abilities. Measure K funds from the Coyote Point Modernization Project will supplement the federal allocation to fully fund the replacement project.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases, merit increases and adjustments to retiree health contributions; adjustments in internal service charges; and elimination of one-time revenues and expenditures. Existing Measure K revenues and expenditures are also adjusted here to restore funding that was temporarily removed due to budget uncertainties. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Net funding adjustments in FY 2026-27 total \$1,578,537.

**4. Position Adjustments:** This action adds one Management Analyst, one Community Program Specialist, two part-time Library Assistants, and one part-time Community Program Specialist to support communications and expand Bookmobile programming, including services for the new makerspace at the San Carlos Library. Additionally, one Utility Worker II and one Facilities Project Coordinator II are deleted, and one Program Coordinator I and one Program Coordinator II are added to better align with operational needs. This adjustment was approved by the Board of Supervisors through the January 27, 2026, Salary Resolution Amendment.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases; merit increases and adjustments to retiree health contributions; increases in internal service charges; and elimination of one-time revenues and expenditures; including cost savings from a position that was transferred from the AB939 Fund to the County Service Area # 8 Solid Waste Services during FY 2025-26. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Funding adjustments net to zero.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: salary and benefit adjustments, including merit increases; increases in internal service charges; and minor adjustments to reimbursement revenue. Funding adjustments net to zero.

**3. Position Adjustments:** This action adds one Senior Accountant and appropriates funds for one Term Fiscal Office Specialist. This change was approved by the Board of Supervisors through the January 13, 2026 Salary Resolution Amendment. The Senior Accountant position was added as part of the transfer of Project Development Unit functions to Public Works in FY 2025-26. The Term Fiscal Office Specialist is added to address increased accounts payable workload.

**2. Stormwater Compliance Requirements:** This action appropriates funding from General Fund, Non-Departmental Services, to support stormwater compliance activities required under the Municipal Regional Permit (MRP 3.0) issued by the San Francisco Bay Regional Water Quality Control Board. This funding will be used to implement priority projects including trash reduction measures, green infrastructure improvements, and watershed sediment reduction projects required under applicable Total Maximum Daily Load compliance plans, ensuring the County meets regulatory deadlines and avoids potential enforcement actions or penalties.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases, including merit increases; increases in internal service charges and service charge revenue, including an 18 percent increase in property insurance; significant increases in contracted landscaping services; and elimination of one-time revenues and expenditures. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Net funding adjustments in FY 2026-27 total (\$872,211).

Positions	—

**2. Position Adjustment - Positions Transferred From Project Development Unit:** This action adds four positions, three Capital Project Managers and one Management Analyst, to the FY 2026-27 budget that were approved in FY 2025-26 by the Board of Supervisors on January 13, 2026, as part of Salary Resolution Amendment 081615. These positions were added to manage workload transferred from the Project Development Unit to Public Works. In addition, appropriations are added for various expenditures.

**5. Electronic Systems Maintenance:** This action appropriates funds for one Term Electronic Systems Technician (Project/Program Associate IV) to provide maintenance services currently provided by a contractor. This position will reduce reliance on vendor support, improve service continuity and system reliability for County departments, and achieve cost efficiencies. The cost of this position is offset by a reduction in contract maintenance appropriations.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases, including merit increases; increases in internal service charges; and elimination of one-time revenues and expenditures, including funding for sewer infrastructure projects. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Net funding adjustments in FY 2026-27 total (\$1,256,157).

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27, including: negotiated salary and benefit increases, including merit increases and adjustments to retiree health contributions; increases in internal service charges; and elimination of one-time revenues and expenditures. As a one-time funding source, Fund Balance and Reserves are removed from the Current Level Budget. Funding adjustments net to zero.

**3. Position Adjustment - Benefits Human Resources Technician:** This action appropriates the mid-year conversion of one Fiscal Office Specialist to a Human Resources Technician position in the Benefits Division to support the expansion and increased complexity of retiree health administration, as well as greater responsibility in eligibility processing, contribution tracking, payroll reconciliation, audits, and employee-facing services. Converting the position ensures appropriate authority and capacity to manage these functions effectively. This change was approved by the Board of Supervisors through the March 24, 2026 Salary Resolution Amendment.

**4. Position Adjustment - Management Analyst:** This action appropriates the mid-year conversion of one limited term Project/Program Associate IV to a regular Management Analyst position in the Risk Management Division to ensure consistent oversight of leave management and interactive leaves. This change will strengthen support for employees and managers by enabling proactive planning, improving resources and education, and facilitating timely returns to work while reducing compliance risks and preventing delays. This change was approved by the Board of Supervisors through the April 21, 2026, Salary Resolution Amendment.

**1. Adjustments to Provide Current Level Services:** Budget adjustments are made to reflect current costs for existing levels of service and performance in FY 2026-27 including: adjustments to general purpose revenues, including Secured, Unsecured, and Supplemental Property taxes; Property Tax In Lieu of Vehicle License Fees, Vehicle Rental Business License Tax as well as interest and investment income. Significant decreases are made to requirements including the removal of one-time construction costs related to County Office Building 3, Cordilleras, and the Health Campus Additional one-time payments are removed including the additional Retirement Prepayment, Retiree Health Costs, and Measure K funded initiatives. As a one-time funding source, Fund Balance is removed from the Current Level Budget. Net Funding adjustments in FY 2026-27 total (\$4,071,045).

Contributions

The San Mateo County Board of Supervisors adopted the FY 2026-27 Measure K Budget on March 17, 2026. The table below summarizes budgetary appropriations and shifts made for each Measure K project to align with the Board-approved Measure K Budget. As part of the FY 2025-27 Two-Year Budget process, a significant portion of Measure K appropriations were removed from the Preliminary FY 2026-27 Budget in response to uncertainty about whether Measure K funds would be needed to address reductions in State and Federal funding. In the FY 2026-27 Recommended Budget, most of these reductions were restored in the Current Level Budget (CLB) process. Additional allocations for capital and other one-time projects, including the Pescadero Fire Station, Senior Nutrition Services, Half Moon Bay Farm Labor Housing, Tower Road Fire Station, and the North Fair Oaks Library, increase the total Measure K Budget by approximately \$19 million. Measure K Rollover in the amount of \$11.2 million has been included in the Recommended Budget and additional rollover will be included in the FY 2026-27 September Revisions.

Funded Initiatives

Capital Projects  
Summary

Position  
Adjustment  
Summary

Memberships and  
Contributions

All current capital projects are fully funded, with a total budget of approximately \$459 million. As part of the two-year budget cycle, \$225 million is budgeted in FY 2026-27 for current capital expenditures which include \$83.1 million in project rollover funding from prior years and \$19.7 million in additional funding adjustments to address evolving project needs. The remaining \$234 million of capital project funding is budgeted in Non-Departmental Services and will continue to be rolled forward for capital expenditures in future fiscal years.
