EXTRA-HELP EMPLOYMENT

About Extra-Help Employment

In our efforts to become a more agile organization, the County of San Mateo created extra-help employment. Extra-help are primarily used to staff seasonal assignments and assist departments during brief periods of heightened workloads.

As an extra-help employee, your length of assignment may vary but only up to a maximum of 1,040 hours unless additional time is approved by Human Resources.

Please note that while you are eligible for County sponsored medical plan, there are no retirement benefits included.

The benefits described herein are offered to eligible employees of the County of San Mateo. All benefits are subject to change and there is no guarantee that these benefits will be continued indefinitely. The descriptions are very general and are not intended to provide complete details about any or all plans. Exact specifications for all plans are provided in the official plan documents.

WHO'S ELIGIBLE FOR BENEFITS?

Employees

You are eligible to enroll in the County's health and vision programs if you are an extra-help employee who are determined to have averaged working 30 hours per week during the initial measurement period.

Eligible dependents

- Current spouse or domestic partner
- Natural, adopted or stepchildren, or children of a domestic partner up to age 26.
- Children over age 19 who are disabled and depend on you for support.
- Children named in a Qualified Medical Child Support Order (QMCSO).
- Tax-qualified dependent

Who is not eligible

Members who are not eligible for coverage include (but are not limited to):

- Parents, grandparents, and siblings.
- Any individual who is covered as an employee of County of San Mateo cannot also be covered as a dependent.
- Employees who work less than 30 hours per week, or employees residing outside the United States.

When you can enroll

The County of San Mateo will determine your eligibility for benefits using the Look Back Measurement Method. Upon hire, you will be placed in an Initial Measurement Period (IPM) for one year after which, your coverage will begin first of the month after your IPM ends.

If you miss the enrollment deadline, you'll need to wait until the next open enrollment, the one time each year that you can make changes to your benefits for any reason. Open Enrollment is generally held in October every year for a January 1st effective date.

WHEN YOU BECOME ELIGIBLE FOR BENEFITS

Initial Measurement Period

Extra help employees are primarily utilized by the County to staff seasonal assignments and assist departments during brief periods of heightened workloads. Length of assignment may vary – maximum of 1040 hours unless additional time is approved.

If you are hired as an extra help employee, a position where your hours vary and the County is unable to determine— as of your date of hire — whether you will be a full-time employee (work on average 130 or more hours a month), or you are hired as a seasonal employee who will work for six (6) consecutive months or less (regardless of monthly hours worked), you will be placed in an **Initial Measurement Period (IMP)** of twelve (12) months to determine whether you are a full-time employee. Your IMP will begin on the first of the month following your date of hire and will last for 12 months.

If, during your IMP, you average 30 or more hours a week over that 12 month period, you will be then considered as full time employee and, if otherwise eligible for benefits, you will be offered coverage when you IMP ends. There is a thirty (30) days administrative period and coverage will then start the first of the month following the administrative period. Your full-time status will remain in effect during an associated stability period that will last 12 months from the date that status is determined. If your employment is terminated during that stability period, and you were enrolled in benefits, you will be offered coverage under COBRA.

How It Works

Below is an illustration of how the County will measure Extra-Help employees:

WHEN YOU BECOME ELIGIBLE FOR BENEFITS

Ongoing Measurement Period

If you are hired as an extra help employee, a position where your hours vary and the County is unable to determine— as of your date of hire — whether you will be a full-time employee (work on average 130 or more hours a month), or you are hired as a seasonal or relief employee who will work for six (6) consecutive months or less (regardless of monthly hours worked), you will also be placed in an **Ongoing Measurement Period (OMP)** of twelve (12) months from October to October to determine whether you are a full-time employee. Your 12-month OMP will begin in October of each year employed and ends in October as long as you continue employment.

If, during your OMP, you average 30 or more hours a week over that 12-month period, you will then be considered as full-time employee and, if otherwise eligible for benefits, you will be offered coverage during the Open Enrollment period. Your full-time benefitted status will remain in effect from January to December. If your employment is terminated during that stability period, and you were enrolled in benefits, you will be offered coverage under COBRA.

How It Works

Here is an illustration on how the Ongoing Measurement Period (OMP) runs concurrent with your Initial Measurement Period (IMP).

Please note: If you are still employed with the County of San Mateo by the end of your Ongoing Measurement Period, your medical coverage will extend until Dec. 31, 2025

CHANGING YOUR BENEFITS

Click to play video

LIFE HAPPENS

A change in your life may allow you to update your benefit choices. Watch the video for a quick take on your options.

THREE RULES APPLY TO MAKING CHANGES TO YOUR BENEFITS DURING THE YEAR:

1. Any change you make must be consistent with the change in status. You may add or remove dependents to and/or from your existing plan consistent with IRS regulations.
2. You must make the change within 31 days of the date the event occurs.
3. All proper documentation is required to cover dependents (marriage certificates, birth certificates, etc.).

Outside of Open Enrollment, you may be able to enroll or make changes to your benefit elections if you have a big change in your life, including (but not limited to):

- Change in legal marital status
- Change in number of dependents or dependent eligibility status
- Change in employment status that affects eligibility for you, your spouse, or dependent child(ren)
- Change in your health coverage or your spouse's coverage due to your spouse's employment
- Court order including a Qualified Medical Child Support Order requiring coverage for your child
- "Special enrollment event" under the Health Insurance Portability and Accountability Act (HIPAA), including a new dependent by marriage, birth or adoption, or loss of coverage under another health insurance plan
- Event allowed under the Children's Health Insurance Program (CHIP) Reauthorization Act (you have 60 days to request enrollment due to events allowed under CHIP).

You must submit your change in Workday within 31 days after the event.

Adding or removing dependents?

You are responsible for updating your dependent status via Workday during the plan year (marriage, birth, death, divorce, dissolution of domestic partnership, ineligibility of dependent child due to age/school status, dependents who gain other coverage elsewhere, etc.). Such notification must be made within 31 days that the status change occurs. Failure to submit notification in a timely manner may impact dependent eligibility for health care continuation under COBRA and may result in you incurring liability for medical expenses for non-eligible dependents.

DEPENDENT VERIFICATION

All employees adding dependents will be asked to upload documentation in Workday verifying eligibility of their covered dependents. The following chart is an easy guide to which forms and documents must be submitted. Failure to submit appropriate documentation will result in dependent's ineligibility for coverage.

Dependent Type	Eligibility Definition	Documents Required for Verifying Eligibility
Spouse	Person to whom you are legally married	Marriage certificate
Domestic Partners	- Meets County domestic partner eligibility requirements - Must be at least 6 months between any domestic partnerships - Must be at least 18yrs	- County of San Mateo Affidavit of Domestic Partnership OR - Declaration of Partnership filed with the California Secretary of State
Natural Child(ren)	Minor or adult child(ren) of Employee who is under age 26yrs	Birth certificate
Stepchild(ren)	Minor or adult child(ren) of Employee's spouse who is under age 26yrs	- Birth certificate AND - Marriage certificate showing spouse as parent

Children of Domestic Partners	Minor or adult child(ren) of Employee's domestic partner who is under age 26yrs	- County of San Mateo Affidavit of Domestic Partnership AND - Birth certificate
Disabled Children	Natural Child, Step Child or Adopted Child of Employee who is over age 26yrs and incapable of self-care due to physical or mental illness.	- Birth certificate AND - Certification of disability from Social Security OR - Document of disability from physician if not SSA certified
Other Qualifying Relatives	- Meets requirements of IRS Code Sec. 105(b) - Under age 26yrs	- Birth certificate showing individual to be an eligible relative AND - County of San Mateo Affidavit of Tax Qualifying Dependent

WHEN YOUR BENEFITS TERMINATE

LEARN MORE

For more information on COBRA, please refer to the Important Plan Information section of this guide.

For more information on Leave of Absence, visit:

<https://www.smcgov.org/hr/leave-absence>.

Your medical, dental and vision plan coverage ends on the last day of the month following your date of termination or loss of eligibility. For example: if termination date is March 14, benefits will end on March 31. If termination date is March 31, benefits will end on March 31.

You may continue your benefits during a family leave of absence in accordance with federal guidelines and the County's policy. After employment ends, benefits may continue for a limited time under federal and state COBRA provisions. Coverage for your Flexible Spending Accounts (FSA), Group Life/AD&D, Long-Term Disability (LTD), and Employee Assistance Program (EAP) will end on your termination date.

Upon termination or loss of eligibility, employees can port or convert their Life Insurance coverage. For more information, please refer to the Life Insurance section of this guide.

Benefits during family and medical leave and California family rights act

An employee eligible for leave under the family/medical leave act will be allowed to continue participating in any health and welfare benefit plan in which he/she was enrolled before the first day of leave (for a maximum of 12 work-weeks) at the level and under the same conditions of coverage as if the employee had continued in employment for the duration of such leave. The County will continue to make the same premium contributions as if the employee had continued working. The continued participation in health benefits begins on the date leave first begins under the Family and Medical Leave Act (e.g. for pregnancy disability leaves) or under the Family and Medical Leave Act/CFRA (e.g. for all other family care and medical leaves).

In some instances, the County may recover premiums it paid to maintain health coverage for you if you fail to return to work following pregnancy disability leave.

Employees on family/medical leave who are not eligible for continued paid coverage may continue their group health insurance coverage at their own expense in conjunction with the federal COBRA guidelines. Employees should contact the Human Resources department for further information.

An employee's use of family/medical leave will not result in the loss of any employment benefit that the employee earned before using family/medical leave.

Kaiser HDHP Plans

Changes to Deductible and Out-of-Pocket Limits

If you are enrolled in the Kaiser HDHP plan, the individual minimum deductible will increase from \$1,700 to **\$1,750** for 2027. For a family, or individual within a family, it will increase from \$3,400 to **\$3,500**.

MEDICAL

WORDS TO KNOW

Learn the terms that will help you understand how your plan works.

Click to play video

- **DEDUCTIBLE:** The amount of healthcare costs you have to pay for with your own money before your plan will start to pay anything.
- **OUT-OF-POCKET MAXIMUM:** Protects you from big medical bills. Once costs "out of your own pocket" reach this amount, the plan pays 100% of most eligible expenses for the rest of the plan year.
- **COINSURANCE:** After the deductible (if applicable), you and the plan share the cost. For example, if the plan pays 80%, your coinsurance share of the cost is 20%. You are billed for your coinsurance after your visit.
- **COPAY:** A set fee you pay instead of coinsurance for some healthcare services, for example, a doctor's office visit. You pay the copay at the time you receive care.
- **IN-NETWORK / OUT-OF-NETWORK:** In-network services will always be the lowest cost option. Out-of-network services will cost more or may not be covered. Check your plan's website to find doctors, hospitals, labs, and pharmacies that belong to the network.

The Affordable Care Act (ACA) requires health insurers to cover a set of preventive services at no cost to you, even if you haven't met your yearly deductible. The preventive care services you'll need to stay healthy vary by age, sex, and medical history.

Visit www.healthcare.gov/coverage/preventive-care-benefits for recommended guidelines.

only when obtained from an
IN-NETWORK provider.**

Not all exams and tests are considered preventive

Exams performed by specialists are generally not considered preventive and may not be covered at 100 percent.

ARE YOU ELIGIBLE?

The HSA is not for everyone. You're eligible only if you are:

1. Enrolled in the Aetna OAMC PPO HDHP or Kaiser HDHP.
2. Not enrolled in other non-HDHP medical coverage, including Medicare, Medicaid, or Tricare.
3. Not a tax dependent.
4. Not enrolled in a healthcare Flexible Spending Account (FSA), unless it's a "limited purpose" FSA for dental and vision expenses.

A Personal Savings Account for Healthcare

A Health Savings Account (HSA) is a convenient way to pay for healthcare expenses now and save for future medical needs. The HSA is administered by Benefit Coordinators Corporation (**BCC**).

How the Health Savings Account works

You can contribute up to the **2027 IRS limits**:

Individual: \$4,500 per year

Family: \$9,000 per year

Age 55 or older? You can contribute an additional **\$1,000** per year.

- Use your **HSA debit card** to pay for eligible expenses like doctor visits, lab tests, prescriptions, dental and vision care, and certain over-the-counter items.
- Access your account anytime through the [My SmartCare Website](#).
- Once you enroll in **Medicare**, you can no longer contribute to your HSA. However, any unused funds remain yours—you can use them for any purpose after age 65. (Withdrawals for non-medical expenses will be taxed as regular income but not penalized.)

Important Note:

BCC uses **Avidia Bank** to hold HSA funds. You may receive an email from Avidia Bank requesting documents to verify and open your account—please respond promptly to avoid delays.

Reasons to Love an HSA

- **County contribution:** If you enroll in a Kaiser or Aetna High Deductible Health Plan (HDHP), the County will contribute **50% of your deductible** for 2027.
- **Tax-free.** No federal or (in most states) state taxes on contributions or withdrawals for eligible healthcare expenses.
- **No "use it or lose it."** Your balance rolls over each year—you keep the money even if you change plans or leave the County.
- **Retirement-friendly:** After retirement, you can continue using your HSA for healthcare expenses tax-free or for other purposes (subject to regular income tax, but no penalties)..

Fees

The County covers the **monthly account fee**, so there's no cost to you. You may see two optional fees:

1. A **monthly investment fee** if you invest your HSA funds and your cash balance is below \$3,000 (this fee is waived when your balance averages \$3,000 or more).
2. A quarterly paper statement fee, which you can avoid by signing up for electronic statements.

DISABILITY

EXPECT THE UNEXPECTED

Most people underestimate the likelihood of being disabled at some point in their life. Disability insurance replaces part of your pay while you are unable to work so you have a continuing income for living expenses.

Is your family protected?

Disability insurance can fill a number of financial gaps due to a temporary reduction of income. Consider what your family would need to cover day-to-day living expenses and medical bills during a pregnancy or illness-related disability leave.

We provide short-term disability benefits to help you recover from financial loss.

EXPECT THE UNEXPECTED

Most people underestimate the likelihood of being disabled at some point in their life. Disability insurance replaces a small part of your pay while you are unable to work.

The County offers Short-Term Disability (STD) insurance for those Extra-Help employees with a designation of 0.75FTE or more.

STD insurance, administered by Standard Life Insurance (The Standard), is designed to pay a weekly benefit in the event you cannot work because of a covered illness or injury. This benefit replaces a portion of your income, which can help you meet your financial commitments in a time of need.

Eligibility	Employees who are not enrolled in CA SDI
Weekly Benefit Amount	\$100 (not to exceed 70% of pre-disability earnings) reduced by deductible income
Benefit Cost	\$0.93 semi-monthly
Benefit Duration	18 weeks
Benefit Waiting Period (sickness or accident)	14 days

GLOSSARY

-A-

AD&D Insurance

An insurance plan that pays a benefit to you or your beneficiary if you suffer from loss of a limb, speech, sight, or hearing, or if you have a fatal accident.

Allowed Amount

The maximum amount your plan will pay for a covered healthcare service.

Ambulatory Surgery Center (ASC)

A healthcare facility that specializes in same-day surgical procedures such as cataracts, colonoscopies, upper GI endoscopy, orthopedic surgery, and more.

Annual Limit

A cap on the benefits your plan will pay in a year. Limits may be placed on particular services such as prescriptions or hospitalizations. Annual limits may be placed on the dollar amount of covered services or on the number of visits that will be covered for a particular service. After an annual limit is reached, you must pay all associated health care costs for the rest of the plan year.

-B-

Balance Billing

In-network providers are not allowed to bill you for more than the plan's allowable charge, but out-of-network providers are. This is called balance billing. For example, if the provider's fee is \$100 but the plan's allowable charge is only \$70, an out-of-network provider may bill YOU for the \$30 difference (the balance).

Beneficiary

The person (or persons) that you name to be paid a benefit should you die. Beneficiaries are requested for life, AD&D, and retirement plans. You must name your beneficiary in advance.

Brand Name Drug

A drug sold under its trademarked name. For example, Lipitor is the brand name of a common cholesterol medicine.

-C-

COBRA

A federal law that may allow you to temporarily continue healthcare coverage after your employment ends, based on certain qualifying events. If you elect COBRA (Consolidated Omnibus Budget Reconciliation Act) coverage, you pay 100% of the premiums, including any share your employer used to pay, plus a small administrative fee.

Claim

A request for payment that you or your health care provider submits to your healthcare plan after you receive services that may be covered.

Coinsurance

Your share of the cost of a healthcare visit or service. Coinsurance is expressed as a percentage and always adds up to 100%. For example, if the plan pays 70%, your coinsurance responsibility is 30% of the cost. If your plan has a deductible, you pay 100% of the cost until you meet your deductible amount.

Copayment

A flat fee you pay for some healthcare services, for example, a doctor's office visit. You pay the copayment (sometimes called a copay) at the time you receive care. In most cases, copays do not count toward the deductible.

-D-

Deductible

The amount of healthcare expenses you have to pay for with your own money before your health plan will pay. The deductible does not apply to preventive care and certain other services.

Family coverage may have an **aggregate** or **embedded** deductible. Aggregate means your family must meet the entire family deductible before any individual expenses are covered. Embedded means the plan begins to make payments for an individual member as soon as they reach their individual deductible.

Dental Basic Services

Services such as fillings, routine extractions and some oral surgery procedures.

Dental Diagnostic & Preventive Generally includes routine cleanings, oral exams, x-rays, and fluoride treatments. Most plans limit preventive exams and cleanings to two times a year.

Dental Major Services

Complex or restorative dental work such as crowns, bridges, dentures, inlays and onlays.

Dependent Care Flexible Spending Account (FSA)

An arrangement through your employer that lets you pay for eligible child and elder care expenses with tax-free dollars. Eligible expenses include day care, before and after-school programs, preschool, and summer day camp for children under age

13. Also included is care for a spouse or other dependent who lives with you and is physically incapable of self-care.

-E-

Eligible Expense

A service or product that is covered by your plan. Your plan will not cover any of the cost if the expense is not eligible.

Excluded Service

A service that your health plan doesn't pay for or cover.

-F-

Formulary

A list of prescription drugs covered by your medical plan or prescription drug plan. Also called a drug list.

-G-

Generic Drug

A drug that has the same active ingredients as a brand name drug but is sold under a different name. For example, Atorvastatin is the generic name for medicines with the same formula as Lipitor.

Grandfathered

A medical plan that is exempt from certain provisions of the Affordable Care Act (ACA).

-H-

Health Reimbursement Account (HRA) An account funded by an employer that reimburses employees, tax-free, for qualified medical expenses up to a maximum amount per year. Sometimes called Health Reimbursement Arrangements.

Healthcare Flexible Spending Account (FSA)

A health account through your employer that lets you pay for many out-of-pocket medical expenses with tax-free dollars. Eligible expenses include insurance copayments and deductibles, qualified prescription drugs, insulin, and medical devices, and some over-the-counter items.

High Deductible Health Plan (HDHP) A medical plan with a higher deductible than a traditional insurance plan. The monthly premium is usually lower, but you pay more health care costs (the deductible) before the insurance company starts to pay its share. A high deductible plan (HDHP) may make you eligible for a health savings account (HSA) that allows you to pay for certain medical expenses with money free from federal taxes.

GLOSSARY

-I-

In-Network

In-network providers and services contract with your healthcare plan and will usually be the lowest cost option. Check your plan's website to find doctors, hospitals, labs, and pharmacies. Out-of-network services will cost more or may not be covered.

-L-

Life Insurance

An insurance plan that pays your beneficiary a lump sum if you die.

Long Term Disability Insurance

Insurance that replaces a portion of your income if you are unable to work due to a debilitating illness, serious injury, or mental disorder. Long term disability generally starts after a 90-day waiting period.

-M-

Mail Order

A feature of a medical or prescription drug plan where medicines you take routinely can be delivered by mail in a 90-day supply.

-O-

Open Enrollment

The time of year when you can change the benefit plans you are enrolled in and the dependents you cover. Open enrollment is held one time each year. Outside of open enrollment, you can only make changes if you have certain events in your life, like getting married or adding a new baby or child in the family.

Out-of-Network

Out-of-network providers (doctors, hospitals, labs, etc.) cost you more because they are not contracted with your plan and are not obligated to limit their maximum fees. Some plans, such as HMOs and EPOs, do not cover out-of-network services at all.

Out-of-Pocket Cost

A healthcare expense you are responsible for paying with your own money, whether from your bank account, credit card, or from a health account such as an HSA, FSA or HRA.

Out-of-Pocket Maximum

Protects you from big medical bills. Once costs "out of your own pocket" reach this amount, the plan pays 100% of most remaining eligible expenses for the rest of the plan year.

Family coverage may have an *aggregate* or *embedded* maximum. Aggregate means your family must meet the entire family out-of-pocket maximum before the plan pays 100% for any member. Embedded means the plan will cover 100% for an individual member as soon as they reach their individual maximum.

Outpatient Care

Care from a hospital that doesn't require you to stay overnight.

-P-

Participating Pharmacy

A pharmacy that contracts with your medical or drug plan and will usually result in the lowest cost for prescription medications.

Plan Year

A 12-month period of benefits coverage. The 12-month period may or may not be the same as the calendar year.

Preferred Drug

Each health plan has a preferred drug list that includes prescription medicines based on an evaluation of effectiveness and cost. Another name for this list is a "formulary." The plan may charge more for non-preferred drugs or for brand name drugs that have generic versions. Drugs that are not on the preferred drug list may not be covered.

Preventive Care Services

Routine healthcare visits that may include screenings, tests, check-ups, immunizations, and patient counseling to prevent illnesses, disease, or other health problems. Many preventive care services are fully covered. Check with your health plan in advance if you have questions about whether a preventive service is covered.

Primary Care Provider (PCP)

The main doctor you consult for healthcare issues. Some medical plans require members to name a specific doctor as their PCP and require care and referrals to be directed or approved by that provider.

-S-

Short Term Disability Insurance

Insurance that replaces a portion of your income if you are temporarily unable to work due to surgery and recovery time, a prolonged illness or injury, or pregnancy issues and childbirth recovery.

-T-

Telehealth / Telemedicine / Teledoc

A virtual visit to a doctor using video chat on a computer, tablet or smartphone. Telehealth visits can be used for many common, non-serious illnesses and injuries and are available 24/7. Many health plans and medical groups provide telehealth services at no cost or for much less than an office visit.

-U-

UCR (Usual, Customary, and Reasonable)

The amount paid for a medical service in a geographic area based on what providers in the area usually charge for the same or similar medical service. The UCR amount sometimes is used to determine the allowed amount.

Urgent Care

Care for an illness, injury or condition serious enough that care is needed right away, but not so severe it requires emergency room care. Treatment at an urgent care center generally costs much less than an emergency room visit.

-V-

Vaccinations

Treatment to prevent common illnesses such as flu, pneumonia, measles, polio, meningitis, shingles, and other diseases. Also called immunizations.

Voluntary Benefit

An optional benefit plan offered by your employer for which you pay the entire premium, usually through payroll deduction.

Medicare Part D Notice

Important Notice from County of San Mateo About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with County of San Mateo and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. County of San Mateo has determined that the prescription drug coverage offered by the Kaiser and Aetna plans is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your County of San Mateo coverage will not be affected. See below for more information about what happens to your current coverage if you join a Medicare drug plan.

Since the existing prescription drug coverage under the Kaiser and Aetna plans is creditable (e.g., as good as Medicare coverage), you can retain your existing prescription drug coverage and choose not to enroll in a Part D plan; or you can enroll in a Part D plan as a supplement to, or in lieu of, your existing prescription drug coverage.

If you do decide to join a Medicare drug plan and drop your County of San Mateo prescription drug coverage, be aware that you and your dependents can only get this coverage back at open enrollment or if you experience an event that gives rise to a HIPAA Special Enrollment Right.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with County of San Mateo and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through County of San Mateo changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [medicare.gov](https://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 800-MEDICARE (800-633-4227). TTY users should call 877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [socialsecurity.gov](https://www.socialsecurity.gov), or call them at 800-772-1213 (TTY 800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply: deductibles and copays within the Kaiser and Aetna plans. If you would like more information on WHCRA benefits, call your plan administrator.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information on maternity benefits, call your plan administrator.

HIPAA Notice of Special Enrollment Rights

If you decline enrollment in County of San Mateo's health plan for you or your dependents (including your spouse) because of other health insurance or group health plan coverage, you or your dependents may be able to enroll in County of San Mateo's health plan without waiting for the next open enrollment period if you:

- Lose other health insurance or group health plan coverage. You must request enrollment within 31 days after the loss of other coverage.
- Gain a new dependent as a result of marriage, birth, adoption, or placement for adoption. You must request health plan enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.
- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible. You must request medical plan enrollment within 60 days after the loss of such coverage.

If you request a change due to a special enrollment event within the 31 day timeframe, coverage will be effective the date of birth, adoption or placement for adoption. For all other events, coverage will be effective the first of the month following your request for enrollment. In addition, you may enroll in County of San Mateo's health plan if you become eligible for a state premium assistance program under Medicaid or CHIP. You must request enrollment within 60 days after you gain eligibility for medical plan coverage. If you request this change, coverage will be effective the first of the month following your request for enrollment. Specific restrictions may apply, depending on federal and state law.

Note: If your dependent becomes eligible for a special enrollment right, you may add the dependent to your current coverage or change to another health plan. Any other currently covered dependents may also switch to the new plan in which you enroll.

Availability of Privacy Practices Notice

We maintain the HIPAA Notice of Privacy Practices for County of San Mateo describing how health information about you may be used and disclosed. You may obtain a copy of the Notice of Privacy Practices by contacting your plan administrator.

Notice of Choice of Providers

The County of San Mateo's HMO plans generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, the HMO plans designate one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the plan administrator.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the carrier or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the plan administrator.

Michelle's Law

The County of San Mateo plans may extend medical coverage for dependent children if they lose eligibility for coverage because of a medically necessary leave of absence from school. Coverage may continue for up to a year, unless your child's eligibility would end earlier for another reason.

Extended coverage is available if a child's leave of absence from school — or change in school enrollment status (for example, switching from full-time to part-time status) — starts while the child has a serious illness or injury, is medically necessary and otherwise causes eligibility for student coverage under the plan to end. Written certification from the child's physician stating that the child suffers from a serious illness or injury and the leave of absence is medically necessary may be required.

If your child will lose eligibility for coverage because of a medically necessary leave of absence from school and you want his or her coverage to be extended, notify the Benefits Division as soon as the need for the leave is recognized. In addition, contact your child's health plan to see if any state laws requiring extended coverage may apply to his or her benefits.

Notice of Availability of Alternative Standard for Wellness Plan

Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact us at wellness@smcgov.org and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

ACA Disclaimer

This offer of coverage may disqualify you from receiving government subsidies for an Exchange plan even if you choose not to enroll. To be subsidy eligible you would have to establish that this offer is unaffordable for you, meaning that the required contribution for employee only coverage under our base plan exceeds 10.22% in 2027 of your modified adjusted household income.

Notice Regarding Wellness Program

County of San Mateo's Wellness Dividend Program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you may be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You may also be asked to complete a biometric screening, which would include a blood test for glucose, HDL, LDL, triglycerides and total cholesterol. You are not required to complete an HRA or to participate in any blood tests or other medical examinations.

However, employees who choose to participate in the wellness program will receive a cash incentive for completing a Health Risk Assessment, one "My Plan", and one follow-up survey through PreventionCloud. Although you are not required to complete an HRA or participate in any biometric screenings, only employees who do so will receive \$600.

Wellness prizes may be available for employees who participate in certain health-related activities such as physical activity challenges, completing surveys, attending Wellness Fair sessions. If you are unable to participate in any of the health-related activities, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Employee Wellness at wellness@smcgov.org.

The information from your HRA and/or the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as health coaching. You also are encouraged to share your results or concerns with your own doctor.

Premium Assistance under Medicaid and the Children's Health Insurance Program (CHIP)

- If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.
- If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.
- If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.
- If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.
- If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of **January 31, 2026**. Contact your State for more information on eligibility.

NON DISCRIMINATORY TESTING FOR CAFETERIA PLANS GOVERNED UNDER CODE SECTION 125

IRS requires each plan governed under “Code Section 125 cafeteria plans” to go through non-discriminatory testing each plan year to see if our plan passes. These plans offer a favorable pre-tax benefit and the IRS requires plans to conduct special non-discriminatory testing on all plans that offer a favorable pre-tax benefit each year.

The codes nondiscrimination rules exist to prevent plans from being designed in such a way that it discriminates in favor of individuals who are either highly compensated employees or are otherwise key employees in the organization.

The plans will not pass the tests if the highly compensated employees or key employees elect more benefits under the plan than employees who are not highly compensated. This is called a “Concentration Test”. If plans fail the concentrations testing, adjustments may be required to the yearly election amounts. Adjustments will not be made if the plan passes.

MODEL COBRA CONTINUATION COVERAGE ELECTION NOTICE

(FOR USE BY SINGLE-EMPLOYER GROUP HEALTH PLANS)

IMPORTANT INFORMATION: COBRA Continuation Coverage and other Health Coverage Alternatives

This notice has important information about your right to continue your health care coverage in the [enter name of group health plan] (the Plan), as well as other health coverage options that may be available to you, including coverage through the Health Insurance Marketplace at www.HealthCare.gov or call 1-800-318-2596. You may be able to get coverage through the Health Insurance Marketplace that costs less than COBRA continuation coverage. Please read the information in this notice very carefully before you make your decision. If you choose to elect COBRA continuation coverage, you should use the election form provided later in this notice.

WHY AM I GETTING THIS NOTICE?

You're getting this notice because your coverage under the Plan will end on [enter date] due to [check appropriate box]:

- | | |
|--|---|
| ☐ End of employment | ☐ Reduction in hours of employment |
| ☐ Death of employee | ☐ Divorce or legal separation |
| ☐ Entitlement to Medicare | ☐ Loss of dependent child status |

Federal law requires that most group health plans (including this Plan) give employees and their families the opportunity to continue their health care coverage through COBRA continuation coverage when there's a "qualifying event" that would result in a loss of coverage under an employer's plan.

WHAT'S COBRA CONTINUATION COVERAGE?

COBRA continuation coverage is the same coverage that the Plan gives to other participants or beneficiaries who aren't getting continuation coverage. Each "qualified beneficiary" (described below) who elects COBRA continuation coverage will have the same rights under the Plan as other participants or beneficiaries covered under the Plan.

WHO ARE THE QUALIFIED BENEFICIARIES?

Each person ("qualified beneficiary") in the category(ies) checked below can elect COBRA continuation coverage:

- ☐ Employee or former employee
- ☐ Spouse or former spouse
- ☐ Dependent child(ren) covered under the Plan on the day before the event that caused the loss of coverage
- ☐ Child who is losing coverage under the Plan because he or she is no longer a dependent under the Plan

ARE THERE OTHER COVERAGE OPTIONS BESIDES COBRA CONTINUATION COVERAGE?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other more affordable coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage.

You should compare your other coverage options with COBRA continuation coverage and choose the coverage that is best for you. For example, if you move to other coverage you may pay more out of pocket than you would under COBRA because the new coverage may impose a new deductible.

When you lose job-based health coverage, it's important that you choose carefully between COBRA continuation coverage and other coverage options, because once you've made your choice, it can be difficult or impossible to switch to another coverage option.

IF I ELECT COBRA CONTINUATION COVERAGE, WHEN WILL MY COVERAGE BEGIN AND HOW LONG WILL THE COVERAGE LAST?

If elected, COBRA continuation coverage will begin on the first of the month following your separation from the County and can last for eighteen (18) months.

Continuation coverage may end before the date noted above in certain circumstances, like failure to pay premiums, fraud, or the individual becomes covered under another group health plan.

CAN I EXTEND THE LENGTH OF COBRA CONTINUATION COVERAGE?

If you elect continuation coverage, you may be able to extend the length of continuation coverage if a qualified beneficiary is disabled, or if a second qualifying event occurs. You must notify [enter name of party responsible for COBRA administration] of a disability or a second qualifying event within a certain time period to extend the period of continuation coverage. If you don't provide notice of a disability or second qualifying event within the required time period, it will affect your right to extend the period of continuation coverage.

For more information about extending the length of COBRA continuation coverage visit

<https://www.dol.gov/ebsa/publications/cobraemployee.html>.

HOW MUCH DOES COBRA CONTINUATION COVERAGE COST?

COBRA continuation coverage will cost: [enter amount each qualified beneficiary will be required to pay for each option per month of coverage and any other permitted coverage periods.]

Other coverage options may cost less. If you choose to elect continuation coverage, you don't have to send any payment with the Election Form. Additional information about payment will be provided to you after the election form is received by the Plan. Important information about paying your premium can be found at the end of this notice.

You may be able to get coverage through the Health Insurance Marketplace that costs less than COBRA continuation coverage. You can learn more about the Marketplace below.

WHAT IS THE HEALTH INSURANCE MARKETPLACE?

The Marketplace offers "one-stop shopping" to find and compare private health insurance options. In the Marketplace, you could be eligible for a new kind of tax credit that lowers your monthly premiums and cost-sharing reductions (amounts that lower your out-of-pocket costs for deductibles, coinsurance, and copayments) right away, and you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll. Through the Marketplace you'll also learn if you qualify for free or low-cost coverage from [Medicaid](#) or the [Children's Health Insurance Program \(CHIP\)](#). You can access the Marketplace for your state at www.HealthCare.gov.

Coverage through the Health Insurance Marketplace may cost less than COBRA continuation coverage. Being offered COBRA continuation coverage won't limit your eligibility for coverage or for a tax credit through the Marketplace.

WHEN CAN I ENROLL IN MARKETPLACE COVERAGE?

You always have 60 days from the time you lose your job-based coverage to enroll in the Marketplace. That is because losing your job-based health coverage is a "special enrollment" event. After 60 days your special enrollment period will end and you may not be able to enroll, so you should take action right away. In addition, during what is called an "open enrollment" period, anyone can enroll in Marketplace coverage.

To find out more about enrolling in the Marketplace, such as when the next open enrollment period will be and what you need to know about qualifying events and special enrollment periods, visit www.HealthCare.gov.

IF I SIGN UP FOR COBRA CONTINUATION COVERAGE, CAN I SWITCH TO COVERAGE IN THE MARKETPLACE? WHAT ABOUT IF I CHOOSE MARKETPLACE COVERAGE AND WANT TO SWITCH BACK TO COBRA CONTINUATION COVERAGE?

If you sign up for COBRA continuation coverage, you can switch to a Marketplace plan during a Marketplace open enrollment period. You can also end your COBRA continuation coverage early and switch to a Marketplace plan if

you have another qualifying event such as marriage or birth of a child through something called a “special enrollment period.” But be careful though - if you terminate your COBRA continuation coverage early without another qualifying event, you’ll have to wait to enroll in Marketplace coverage until the next open enrollment period, and could end up without any health coverage in the interim.

Once you’ve exhausted your COBRA continuation coverage and the coverage expires, you’ll be eligible to enroll in Marketplace coverage through a special enrollment period, even if Marketplace open enrollment has ended. If you sign up for Marketplace coverage instead of COBRA continuation coverage, you cannot switch to COBRA continuation coverage under any circumstances.

CAN I ENROLL IN ANOTHER GROUP HEALTH PLAN?

You may be eligible to enroll in coverage under another group health plan (like a spouse’s plan), if you request enrollment within 30 days of the loss of coverage.

If you or your dependent chooses to elect COBRA continuation coverage instead of enrolling in another group health plan for which you’re eligible, you’ll have another opportunity to enroll in the other group health plan within 30 days of losing your COBRA continuation coverage.

WHAT FACTORS SHOULD I CONSIDER WHEN CHOOSING COVERAGE OPTIONS?

When considering your options for health coverage, you may want to think about:

- **Premiums:** Your previous plan can charge up to 102% of total plan premiums for COBRA coverage. Other options, like coverage on a spouse’s plan or through the Marketplace, may be less expensive.
- **Provider Networks:** If you’re currently getting care or treatment for a condition, a change in your health coverage may affect your access to a particular health care provider. You may want to check to see if your current health care providers participate in a network as you consider options for health coverage.
- **Drug Formularies:** If you’re currently taking medication, a change in your health coverage may affect your costs for medication – and in some cases, your medication may not be covered by another plan. You may want to check to see if your current medications are listed in drug formularies for other health coverage.
- **Severance payments:** If you lost your job and got a severance package from your former employer, your former employer may have offered to pay some or all of your COBRA payments for a period of time. In this scenario, you may want to contact the Department of Labor at 1-866-444-3272 to discuss your options.
- **Service Areas:** Some plans limit their benefits to specific service or coverage areas – so if you move to another area of the country, you may not be able to use your benefits. You may want to see if your plan has a service or coverage area, or other similar limitations.
- **Other Cost-Sharing:** In addition to premiums or contributions for health coverage, you probably pay copayments, deductibles, coinsurance, or other amounts as you use your benefits. You may want to check to see what the cost-sharing requirements are for other health coverage options. For example, one option may have much lower monthly premiums, but a much higher deductible and higher copayments.

FOR MORE INFORMATION

This notice doesn’t fully describe continuation coverage or other rights under the Plan. More information about continuation coverage and your rights under the Plan is available in your summary plan description or from the Plan Administrator.

If you have questions about the information in this notice, your rights to coverage, or if you want a copy of your summary plan description, contact [enter name of party responsible for COBRA administration for the Plan, with telephone number and address].

For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, visit the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) website at www.dol.gov/ebsa or call their toll-free number at 1-866-444-3272. For more information about health insurance options available through the Health Insurance Marketplace, and to locate an assister in your area who you can talk to about the different options, visit www.HealthCare.gov.

KEEP YOUR PLAN INFORMED OF ADDRESS CHANGES

To protect your and your family's rights, keep the Plan Administrator informed of any changes in your address and the addresses of family members. You should also keep a copy of any notices you send to the Plan Administrator.

IMPORTANT INFORMATION ABOUT PAYMENT FIRST

PAYMENT FOR CONTINUATION COVERAGE

You must make your first payment for continuation coverage no later than 45 days after the date of your election (this is the date the Election Notice is postmarked). If you don't make your first payment in full no later than 45 days after the date of your election, you'll lose all continuation coverage rights under the Plan. You're responsible for making sure that the amount of your first payment is correct. You may contact [enter appropriate contact information, e.g., the Plan Administrator or other party responsible for COBRA administration under the Plan] to confirm the correct amount of your first payment.

PERIODIC PAYMENTS FOR CONTINUATION COVERAGE

After you make your first payment for continuation coverage, you'll have to make periodic payments for each coverage period that follows. The amount due for each coverage period for each qualified beneficiary is shown in this notice. The periodic payments can be made on a monthly basis. Under the Plan, each of these periodic payments for continuation coverage is due [enter due day for each monthly payment] for that coverage period. [If Plan offers other payment schedules, enter with appropriate dates: You may instead make payments for continuation coverage for the following coverage periods, due on the following dates:]. If you make a periodic payment on or before the first day of the coverage period to which it applies, your coverage under the Plan will continue for that coverage period without any break. The Plan [select one: will or will not] send periodic notices of payments due for these coverage periods.

GRACE PERIODS FOR PERIODIC PAYMENTS

Although periodic payments are due on the dates shown above, you'll be given a grace period of 30 days after the first day of the coverage period [or enter longer period permitted by Plan] to make each periodic payment. You'll get continuation coverage for each coverage period as long as payment for that coverage period is made before the end of the grace period.

If you don't make a periodic payment before the end of the grace period for that coverage period, you'll lose all rights to continuation coverage under the Plan. Your first payment and all periodic payments for continuation coverage should be sent to BCC.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.
