Join The Survivors Advisory Committee

Your voice matters. Your experience makes a difference.

Opening in Fall 2027, the Family Justice Center will be a services, advocacy, and support hub for individuals and families in San Mateo County affected by interpersonal violence.

As part of our formation, we are establishing a Survivors Advisory Committee.
This group of survivors will be a core partner in the Center's development, lending their voices to guide creation of meaningful programs and services.

We believe in the power of survivor voices to lead change, guide our mission, and ensure we reflect our community.
