***November 2026 Updates***

- November 2026 Pride Center newsletter – if interested in signing up for the newsletter, please visit https://sanmateopride.org/newsletters/

**Pride Center Important Updates:**

As of August 1, 2025, our physical location of 1021 S El Camino Real, San Mateo, has been closed. **Our services are still available virtually from 10am-7pm Monday-Friday** until we find our new home.

We're excited to announce that the Pride Center is now a partner project of the San Francisco Public Health Foundation! Thank you to our new fiscal sponsor for helping us continue providing our invaluable services to the LGBTQ+ community across San Mateo County.

**DONATE TO THE PRIDE CENTER**

URGENT: The San Mateo County Pride Center — ***the only LGBTQ+-focused provider serving the entire county***—is in danger of closing.

For many LGBTQ+ residents – especially Transgender and Nonbinary individuals, and community members who are People of Color – we are the only safe and affirming place to turn.

**Last year alone, we served 15,544 individuals across our county.**

**Without the Pride Center, who we risk losing:**

- Mental health counseling
- Gender-affirming services
- Service provider education and training
- Emergency food and housing support
- Community connection and peer support

**We are urgently seeking:**

- **Emergency Financial Support.** Bridge funding and direct contributions to help sustain immediate operations and protect continuity of care. Our goal is $180k! All donations are important and impactful.
- **Foundation and Institutional Partnerships.** Early investment to help stabilize services and catalyze broader long-term support.
- **Government Partnership.** Collaboration in identifying sustainable funding pathways and preserving essential community infrastructure.
- **Community Connections.** Introductions to philanthropic partners, sponsors, and aligned networks.
- **Physical Space.** Access to low- or no-cost office, clinical, and community programming space.

Other ways that you can support the Pride Center include:

- **Hosting a fundraiser for us!** Please, contact us. We'd love to support you, supporting us!
- **Sharing this message!** Help us reach a wider audience. A simple forward can make a big impact!

## Clinical Services:

**The Pride Center is excited to announce that we are now offering therapy services again!** Please note that availability is limited and we can only accept out-of-pocket payments at this time.

We know that it can be difficult to find an affirming therapist, and the last thing we want is for finances to be a barrier to your care. To ensure our services are accessible as possible, we offer a **sliding scale, pay-what-you-can model**. Please reach out to clinical@sanmateopride.org to learn more about how we can help.

While we are currently not set up to accept Medi-Cal or private insurance, this is something we are working towards, so please don't hesitate to contact us. Whether you need support with mental health or healthcare, navigating housing or employment resources, emergency food/shelter, resource referrals, or more, we are here for you.

Even if therapy with the Pride Center is not an option for you right now, we can still offer referral services for:

- LGBTQ+ affirming providers vetted by the Pride Center who have therapy openings
- Providers who can write a letter of support/WPATH letter
- Organizations that provide workshops or 1-1 support with name and gender marker change

Together, we can help you fulfill your goals and work towards health, happiness, and joy!
