The Department manages parks, trails, and historic sites to preserve public lands and provide opportunities for education and recreation. The system's properties, located throughout the County, encompass more than 16,000 acres.

The parks represent our region's wondrously diverse natural settings, from rugged tidepools, lush mountain forests, and remote campsites to Bayfront shoreline, sunny picnic areas, and popular playgrounds.

The Department sells annual passes, offering unlimited entrances to all County Parks for a year.

Support your parks

You can volunteer to help rangers protect and improve parklands and serve park visitors.

The San Mateo County Parks Foundation raises funds to improve the quality of County Parks for our community. For information, visit www.SupportParks.org.

Friends of Huddart and Wunderlich Parks (HuddartWunderlichFriends.org) and the **Volunteer Horse Patrol** (smcvhp.org) promote protection and enjoyment of this park.

Huddart County Park

Huddart's 974 acres of redwood and fir forests are attractive to hikers, equestrians, and picnickers. Many miles of trails give visitors the chance to pass through cool riparian corridors, traverse steep hillsides, and enjoy views of the Bay.

Just past the Town of Woodside on King's Mountain Road, this stunning forest park and its group picnic areas and shelters provide a wonderful rural setting for group events and camping.

The Peninsula AIDS Memorial Grove is dedicated in memory of those who have courageously battled AIDS.

Activities and facilities

Hiking and horseback riding are popular on Huddart's extensive trail system. A segment of the Bay Area Ridge Trail connects to nearby Wunderlich County Park.

The archery range is managed by the Kings Mountain Archers; for information, call 650-241-8440.

Huddart also offers many drop-in **picnic areas**, as well as group picnic areas, picnic shelters, and an amphitheater available for reservation. Several of the reservation areas include volleyball courts and horseshoe pits. Youth group camps are also available.

To make reservations, visit www.SMCoParks.org or call 650-363-4021.

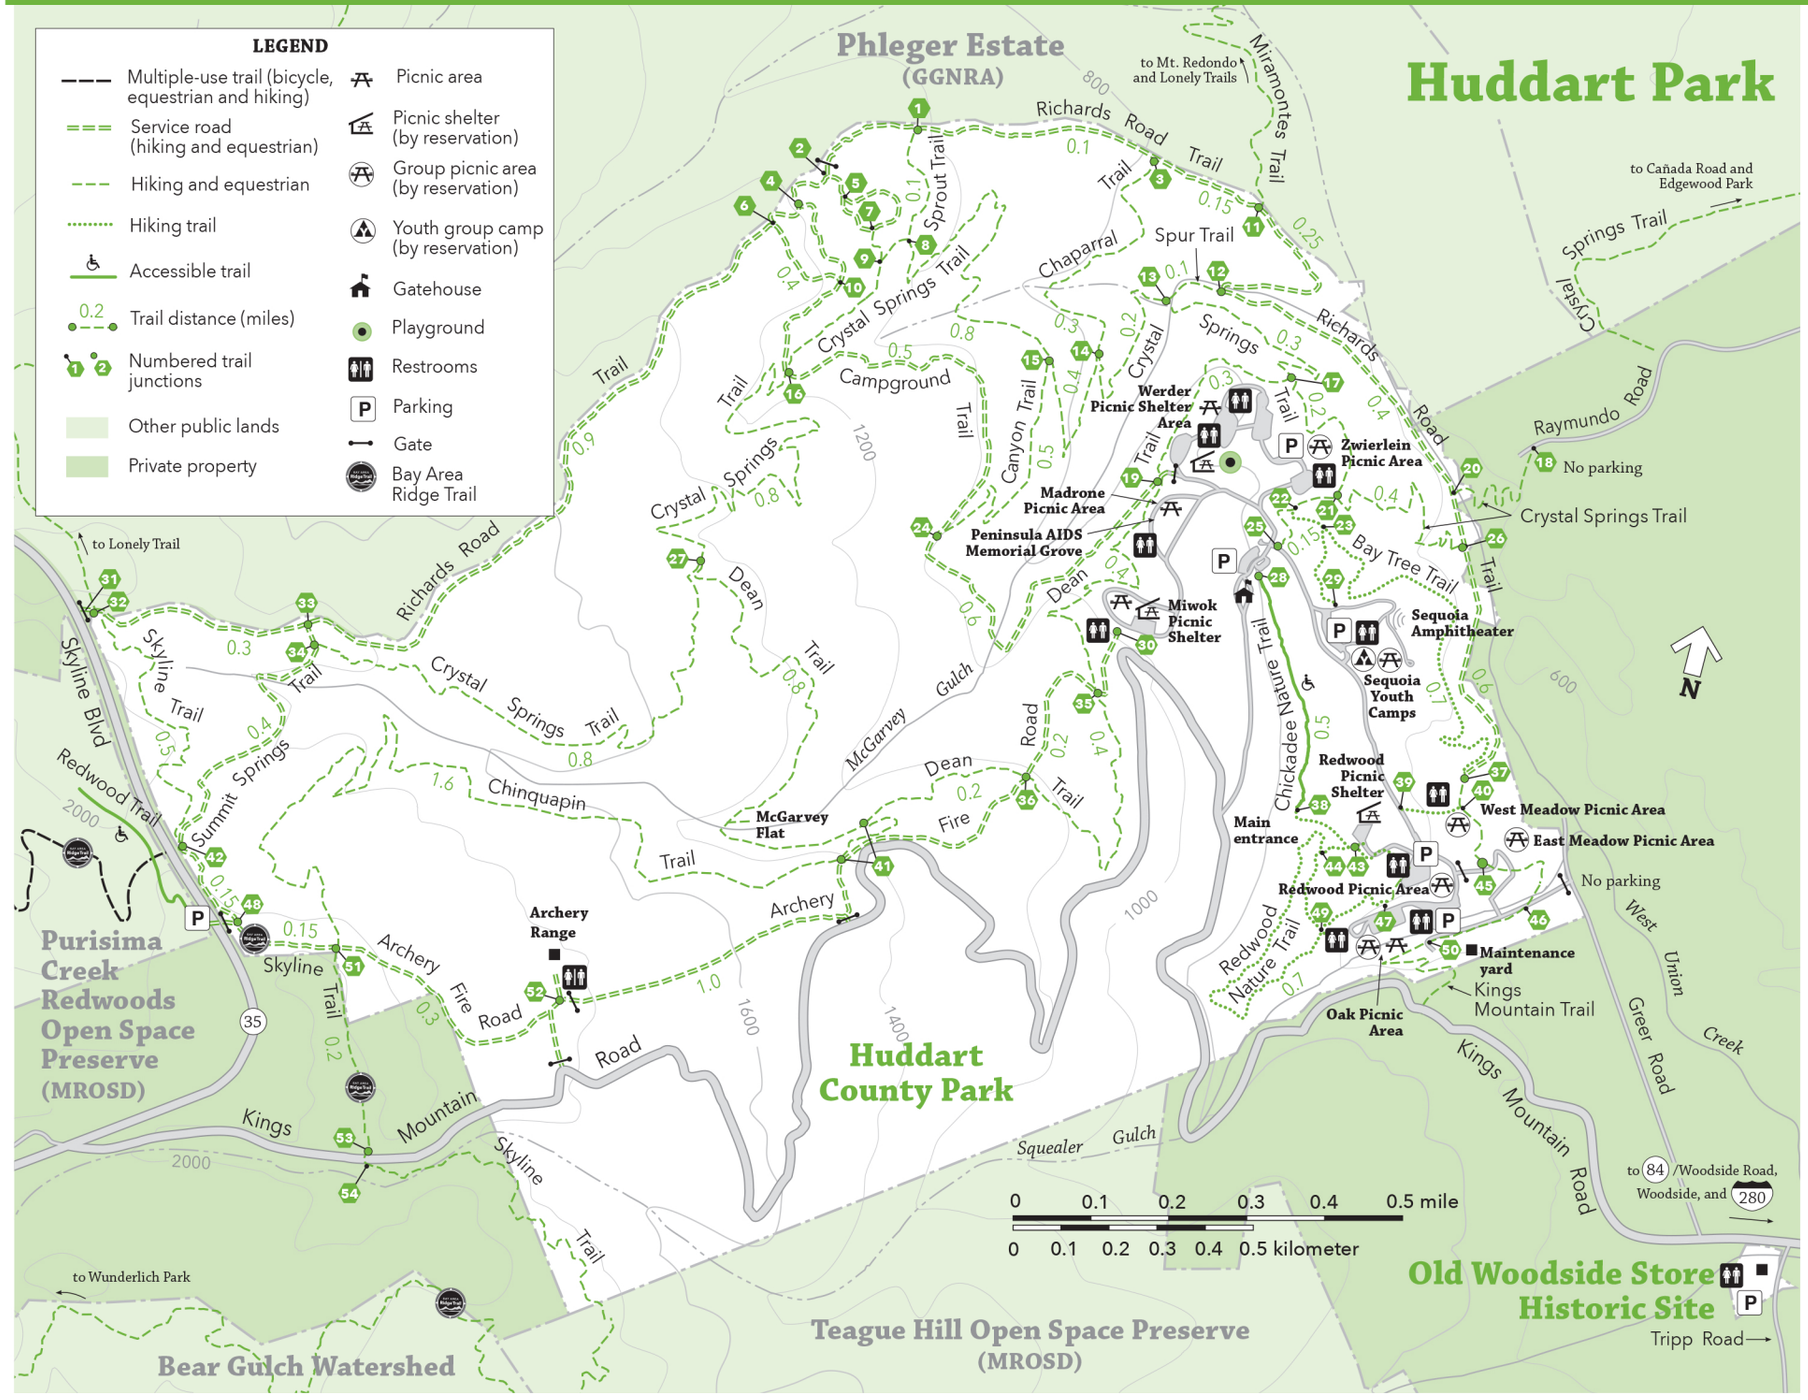

Natural features

The Park is dominated by majestic second-growth coast redwood forest and mixed evergreen forest. In addition to the redwoods — and the stumps that provide evidence of the logging era — forests include tanoak, madrone, California laurel, coast live oak, and Douglas fir. In the cool shade below, sword fern, and redwood sorrel offer cover for banana slugs.

On sunny slopes, the contrasting thick brush of the Park's chaparral areas is characterized by native plants such as manzanita, chamise, chaparral pea, and yerba santa.

Other common plants include California lilac, toyon, and wood rose. Wildflowers include sticky monkeyflower, western hound's tongue, Indian warrior, and Fremont's star lily.

Visitors may see black-tailed deer, raccoons, squirrels, brush rabbits, lizards, and less commonly bobcats, coyotes, and gray foxes. Commonly seen birds include wrentits, acorn woodpeckers, chickadees, towhees, scrub jays, and Steller's jays.

Park hours and use

Hours The Park opens at 8am. Closing time changes seasonally, and is posted.

Pets Pets are not allowed in the Park.

Fires Barbeques are allowed only in barbeque pits using charcoal; no portable barbeques. Campfires are subject to fire risk conditions; campers receive campfire instructions upon entering the Park.

Smoking No smoking in County Parks, on trails, or at historical sites.

Please protect the Park's natural environment and do not disturb or remove any plants or animals.
