CHILD CARE PLAN 7

KNOW YOUR RIGHTS

REMAIN CALM AND DO NOT TRY TO RUN AWAY. IF YOU DO, ICE MAY USE THAT AGAINST YOU.

Everyone – no matter your immigration status – has rights in this country.

Talk to everyone in your family (including children) and household to make sure they all know what to do if approached by immigration officials (ICE) at your house.

ICE AT YOUR DOOR

Do not open the door for ICE without a signed warrant. You do not need to open the door unless an ICE agent can show you a warrant signed by a judge with your specific, correct name and address on it. If ICE knocks on your door, ask them to slide the search warrant under the floor or through a window. If ICE unable to provide you with proof of signed warrant, then you do not have to open the door. Once you open the door, you are at risk of losing certain rights.

Below is a copy “Know Your Rights Red Card.” Printed Version can be found on page 18.

You have constitutional rights:

- DO NOT OPEN THE DOOR if an immigration agent is knocking on the door.
- DO NOT ANSWER ANY QUESTIONS from an immigration agent if they try to talk to you. You have the right to remain silent.
- DO NOT SIGN ANYTHING without first speaking to a lawyer. You have the right to speak with a lawyer.
- If you are outside of your home, ask the agent if you are free to leave and if they say yes, leave calmly.
- GIVE THIS CARD TO THE AGENT. If you are inside of your home, show the card through the window or slide it under the door.

I do not wish to speak with you, answer your questions, or sign or hand you any documents based on my 5th Amendment rights under the United States Constitution.

I do not give you permission to enter my home based on my 4th Amendment rights under the United States Constitution unless you have a warrant to enter, signed by a judge or magistrate with my name on it that you slide under the door. I do not give you permission to search any of my belongings based on my 4th Amendment rights.

I choose to exercise my constitutional right.

These cards are available to citizens and noncitizens alike.

TALKING TO ICE

You do not have to talk to ICE or answer their questions. You have the right to remain silent. You can refuse to speak to an ICE agent. Do not answer any questions, especially about your birthplace, immigration status or how you entered the United States. Do not give them any personal information about yourself or anyone in your family. State that you would like to remain silent and request the presence of your attorney. Have your children and others in your family practice saying “no” to ICE.

You have the right to refuse to sign anything before you speak with an attorney. Do not sign anything you do not understand or agree with, for this may result in you being deported immediately without a hearing. Ask to speak to a lawyer and request to go in front of an immigration judge. You have the right to both a phone call and the right to an attorney if you are in ICE custody. Make sure to carry your immigration lawyer’s phone number at all times.

CHILD CARE PLAN

TALK TO YOUR CHILDREN ABOUT YOUR PLAN

Without worrying them, assure your children that they will be taken care of if for some reason you are unable to care for them. Let them know who will care for them until you can.

DECIDE WHO CAN CARE FOR YOUR CHILDREN IF YOU ARE UNABLE TO

Have a conversation with those who will be responsible for your children. It's important to take the time to verify that the intending adult is registered as an emergency contact at your child's school. Your child's school may only release your child to adults you designate. It is important to make sure to update the school, after school, daycare, summer camp, and any other program of any changes.

Emergency contact sheets and release forms should include the names of those who can and cannot pick up your children. If you have active restraining order against anyone, make sure you give a copy to the school.

Make sure the people who can pick up and care for your children are up to date on your child's location and school schedule.

WRITE DOWN INSTRUCTIONS IF YOU CHILD HAS ANY MEDICAL CONDITIONS AND/OR TAKES ANY MEDICATION

Make sure to write down any medical conditions or allergies your children have. Leave any instructions needed for all medication that your child takes. Provide a copy to your child school and the adult designated to care for your children.

TAKE ACTION

With the help of a Family law attorney, a plan can be designed that best suits you and your children. Caregiver's Authorization Affidavit, Verbal Agreement, Guardianship, a Note on Power of Attorney are all varies ways to plan for another adult to care for your child.

Make sure your USA citizen children have a passport. If your child was born in your home country, check with your embassy or consulate for more information on obtaining a passport. Visit www.travel.state.gov for more information on obtaining a U.S. passport.
