SAN MATEO COUNTY COMMUNITY COLLABORATION FOR CHILDREN'S SUCCESS

NORTH FAIR OAKS COMMUNITY COUNCIL MAY 23, 2019

QUICK CCCS BACKGROUND AND APPROACH

- Place-based approach
- Engage impacted youth and families
- Address youth need across multiple sectors
- Collaborate with existing efforts and build on assets
- Use a trauma-informed approach
- Informed by data and best practices
- Learn as we go

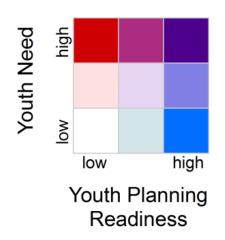

4 FOCUS AREAS

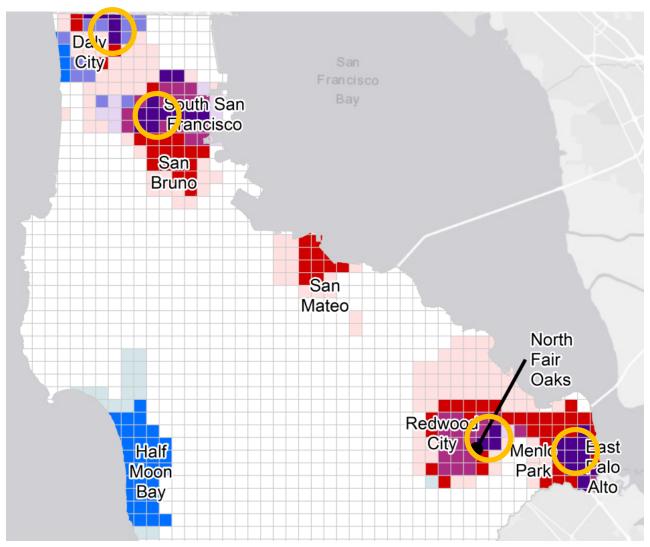

Stage I:

- North Fair Oaks/parts of Redwood City
- South San Francisco

Stage II:

- Daly City
- East Palo Alto

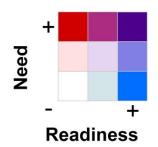

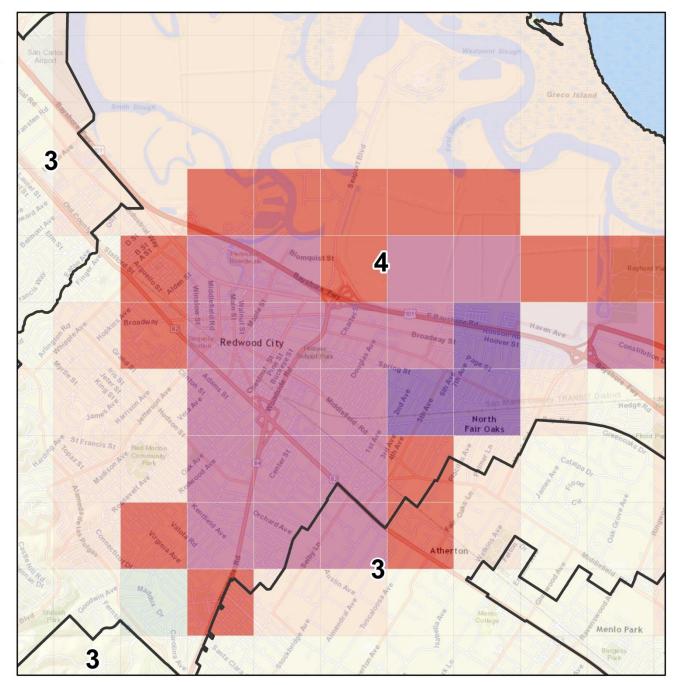

Community Need & Planning Readiness

Redwood City & North Fair Oaks

Supervisorial Districts

0 1 Miles

NFO/RWC COMMUNITY PLANNING AND ENGAGEMENT

- TOTAL: 257 community members provided input
- 10 Community Champions: engaged residents, held focus groups, conducted surveys
- 4 Neighborhood Leadership Group meetings: over 80 community members and stakeholders
- 10 Focus Groups: 44 parents/caregivers and 99 youth
- 95 Surveys: 62 parents/caregivers and 33 youth
- 2 Dream Walls: 13 adults and 6 youth

TOP NFO/RWC ISSUES

- 1. Housing costs, high cost of living, and lack of living wage job opportunities (and lack of opportunities to build needed skills/knowledge needed to get living wage jobs)
- 2. Structural + institutional racism (especially related to educational and career opportunities and interactions with law enforcement)
- 3. Lack of supportive adults (often because parents/caregivers are working multiple jobs and there are not enough opportunities for youth to connect with other supportive adults) Insufficient educational opportunities especially culturally relevant ones and including in early education
- 4. Access to resources (especially related to mental health and substance use, affordable childcare and preschool, and legal information and services)
- 5. Safety (gangs, domestic violence, sexual assault, sexual harassment, police harassment, and bullying)

TOP YOUTH AND FAMILY NEEDS AND CONCERNS: AFFORDABILITY/COST OF LIVING

 17% of parents/caregivers said they are not able to afford basic necessities (e.g., medicine, clothes, transportation).

 19% of parents/caregivers noted that they do not have stable housing.

Rents are get

Rents are getting out of control which now forces parents to get a second and in some cases third job just to get by. This causes lack of communication with their children.

NFO/RWC parent/caregiver

STRUCTURAL AND INSTITUTIONAL RACISM

Youth of Color who reported that they had been discriminated against Always, Most of the Time, or Sometimes in the past year...

By teachers, childcare providers, or school/daycare staff

In your neighborhood (for example, by neighbors, at local stores)

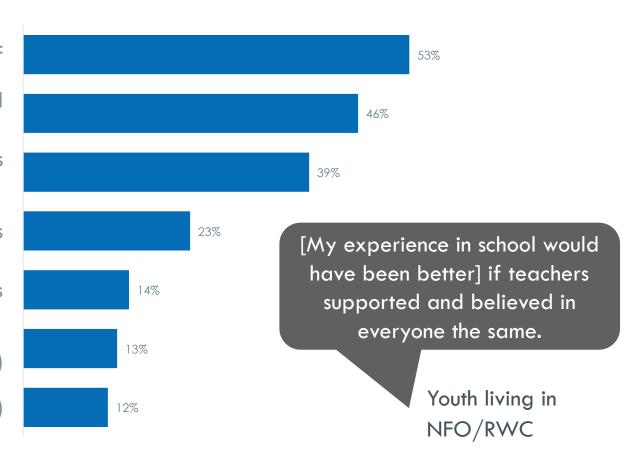

By local law enforcement (for example, police, Sheriff's deputies)

By supervisors, co-workers, or potential employers

By local social workers, eligibility workers, or case managers

At programs that are specifically for youth (for example, mentoring organizations, rec centers, afterschool programs)

By health care providers (for example, doctors, therapists)

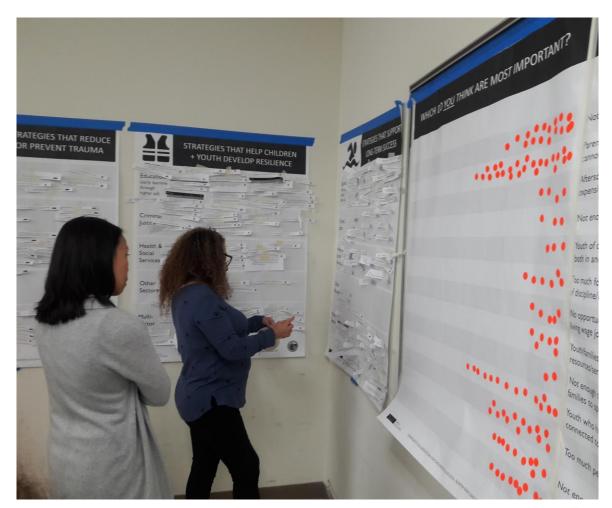

LACK OF SUPPORTIVE ADULTS

- 24% of youth survey respondents reported that they have "never" or "rarely" talked to a supportive adult (for example, a parent, teacher, mentor) about what they are thinking or feeling.
- 8% of youth survey respondents reported that a parent or other caregiver has "never" or "rarely" actively supported their education (e.g., by attending school events or encouraging them to do homework).
- Another 12% reported that a parent or other caregiver has only "sometimes" done this.

ACCESS TO RESOURCES

- Language barriers
- Resources aren't hidden
- Immigration services
- Mental health
- Substance use
- Childcare and daycare
- Legal rights

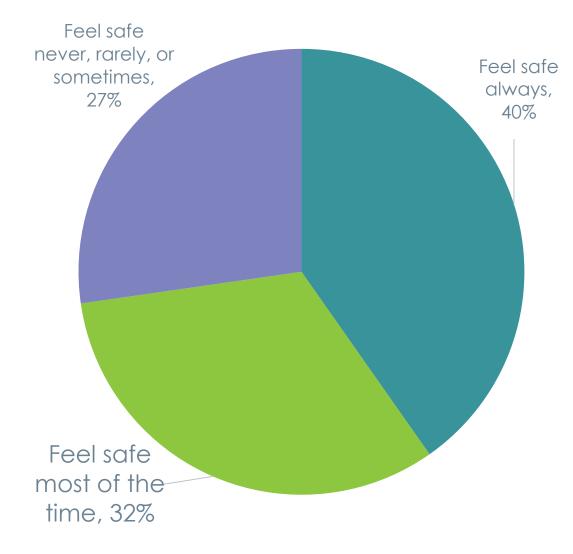

SAFETY

- 27% of youth survey respondents in NFO/RWC said they feel safe never, rarely, or sometimes.
- Only 32% of youth survey respondents in NFO/RWC said they feel safe most of the time.
- Only 40% of youth survey respondents in NFO/RWC said they feel safe always.

Youth perception of safety

FRAMEWORK FOR IMPLEMENTATION OF PRIORITIZED STRATEGIES

4. Strategies to Support System-Engaged Youth

3. Prevention/Early Interventions (at key times/ages)

2. Education & Programming that Supports Resilience

1. Protective and Healing Spaces (schools, neighborhoods, systems)

TOP NFO/RWC STRATEGIES

NFO/RWC Strategies Expand living wage job opportunities. 2. Use data to identify and reduce disparities/disproportionalities. **Tier 1 Strategies** Ensuring that all children, Provide mental/behavioral health support at neighborhood schools for students and staff. youth, and families live in safe, healthy, and 4. Make it easier for caregivers and youth to utilize supportive services. supportive environments 5. Adopt universal preschool or expand subsidized preschool spots for lower-income families. **Tier 2 Strategies** Engage youth with relevant personal experiences on Youth Building resilient children Advisory Boards to shape programming, services, and policies. + youth by expanding Expand evidence-based violence prevention initiatives. developmental assets Expand mentoring and connect youth to living wage job **Tier 3 Strategies** opportunities and skills-development. Providing targeted Provide targeted support to increase household income. support to address unmet needs at key ages 10. Adopt/expand promotores or peer-to-peer model to help community members connect to and navigate services.
