PROPOSED SITE PLAN

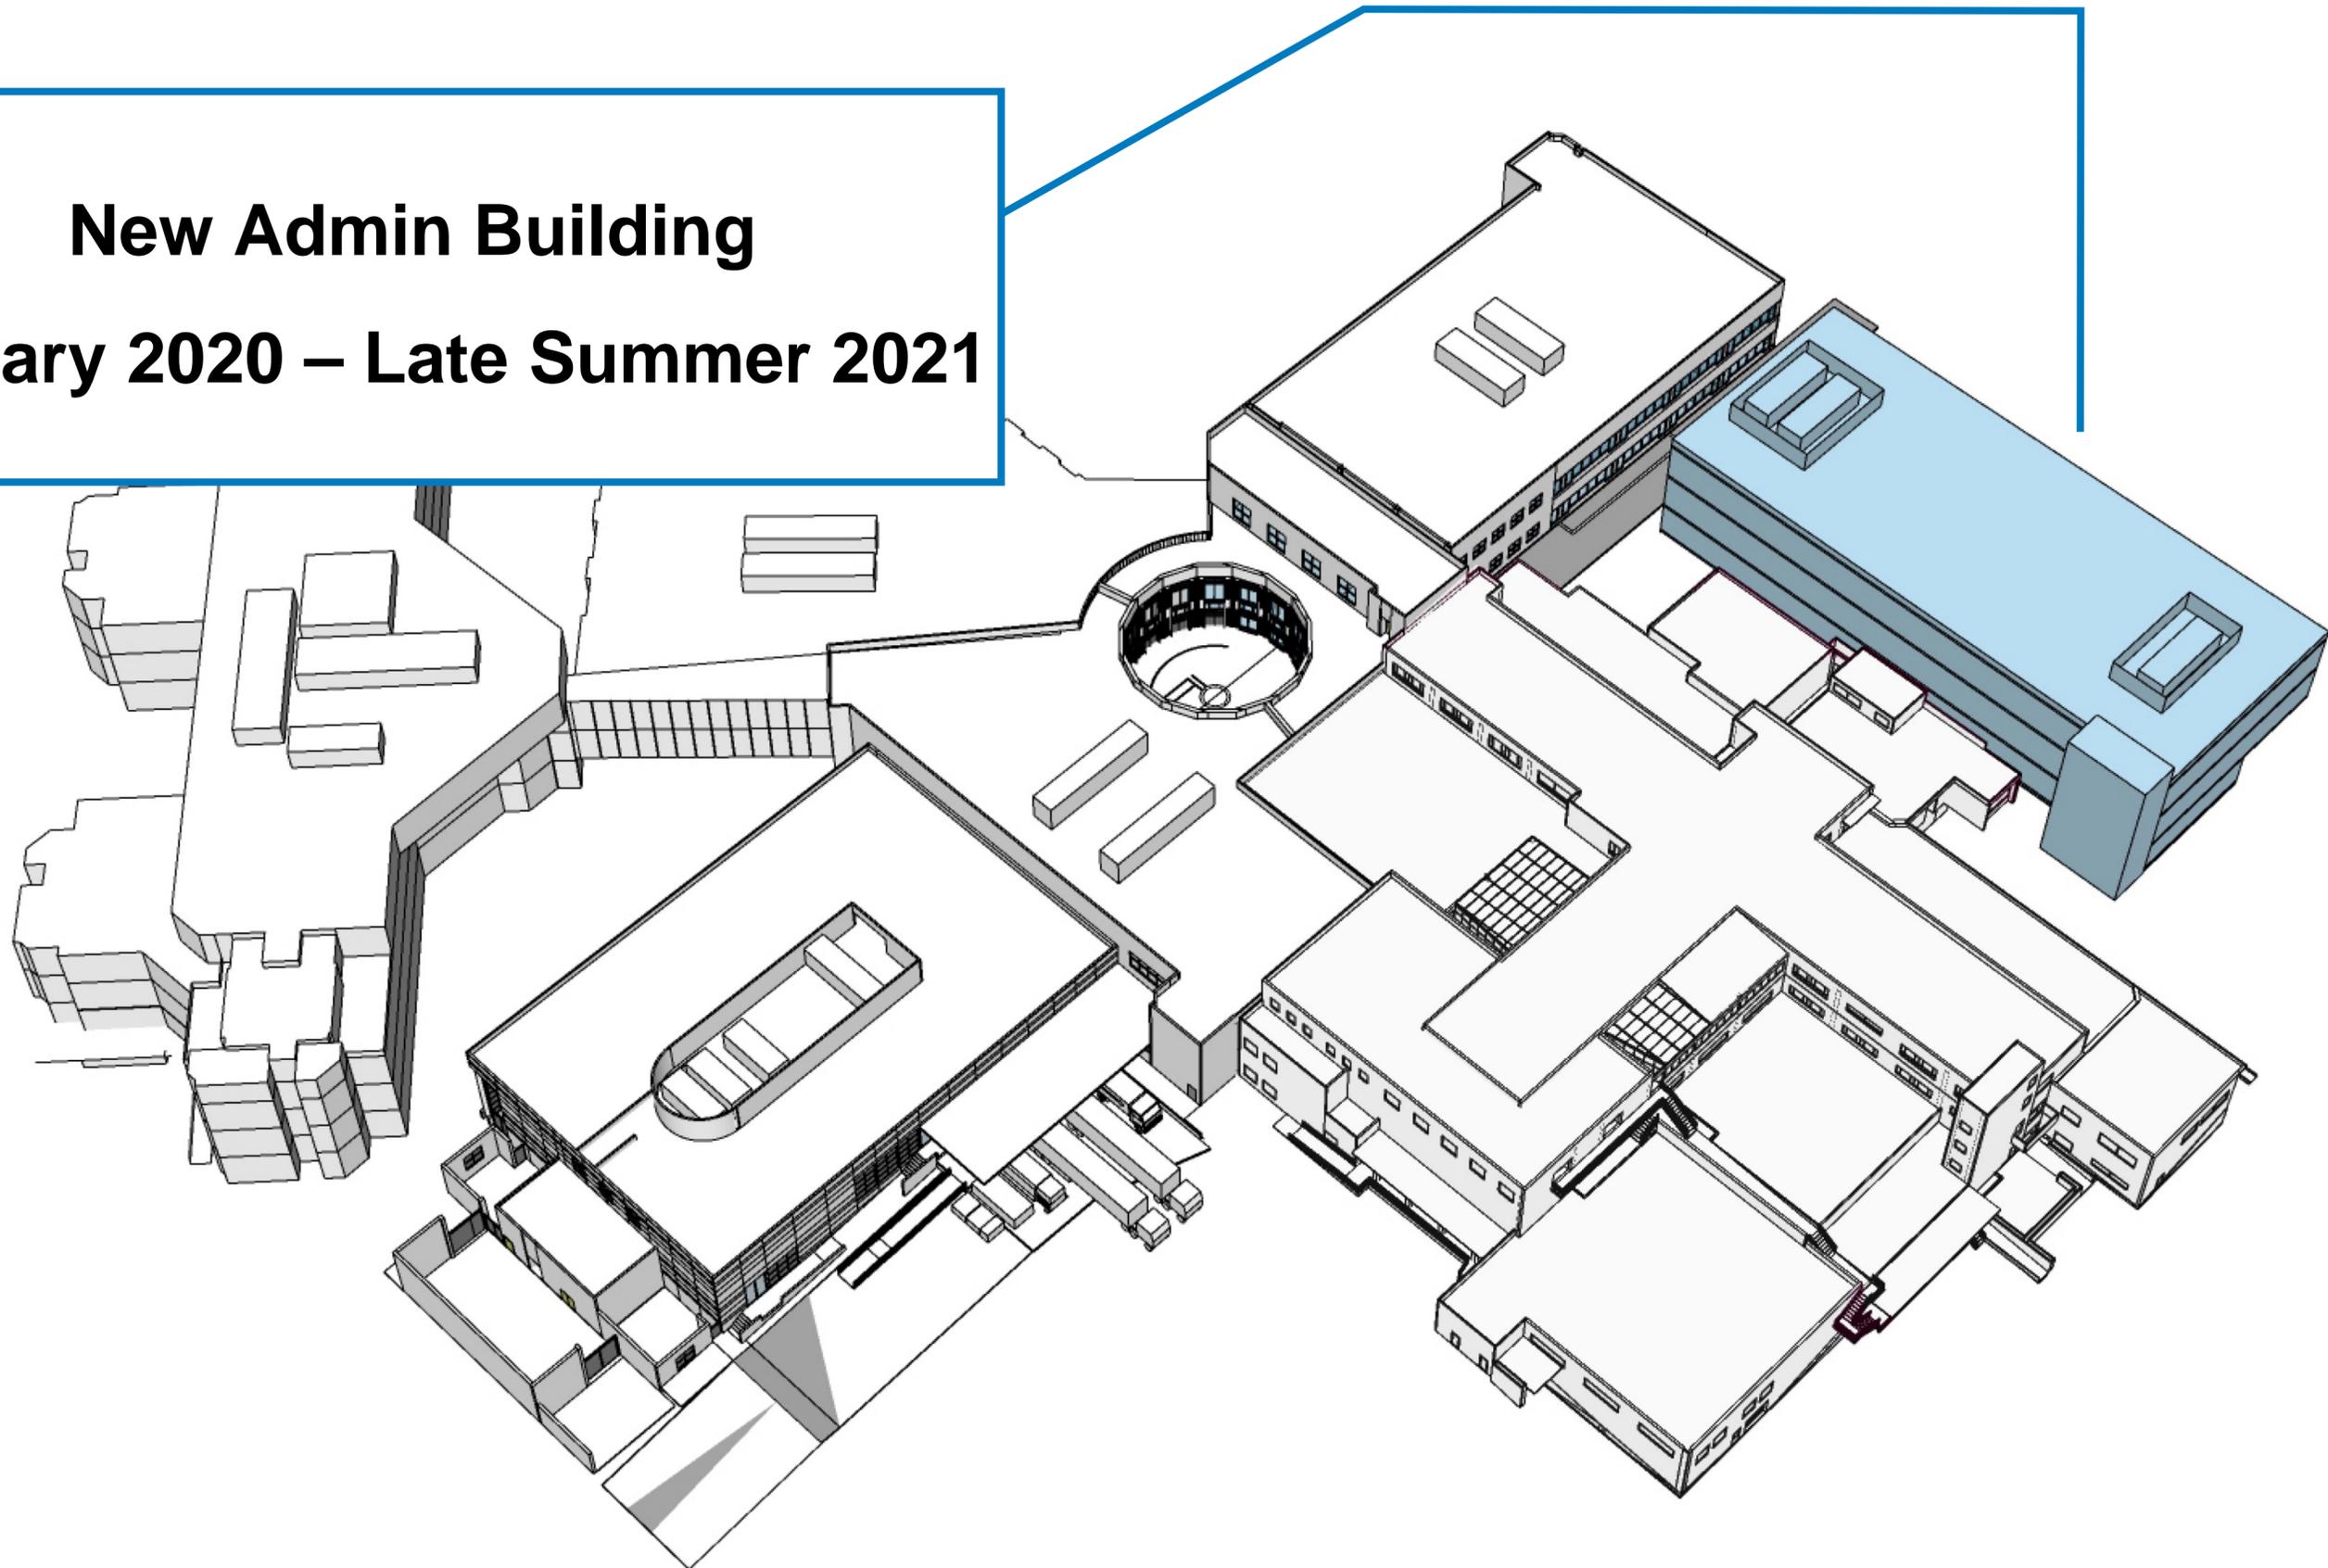

1st Floor Nursing Wing
Nov 2018 – Q2 2020

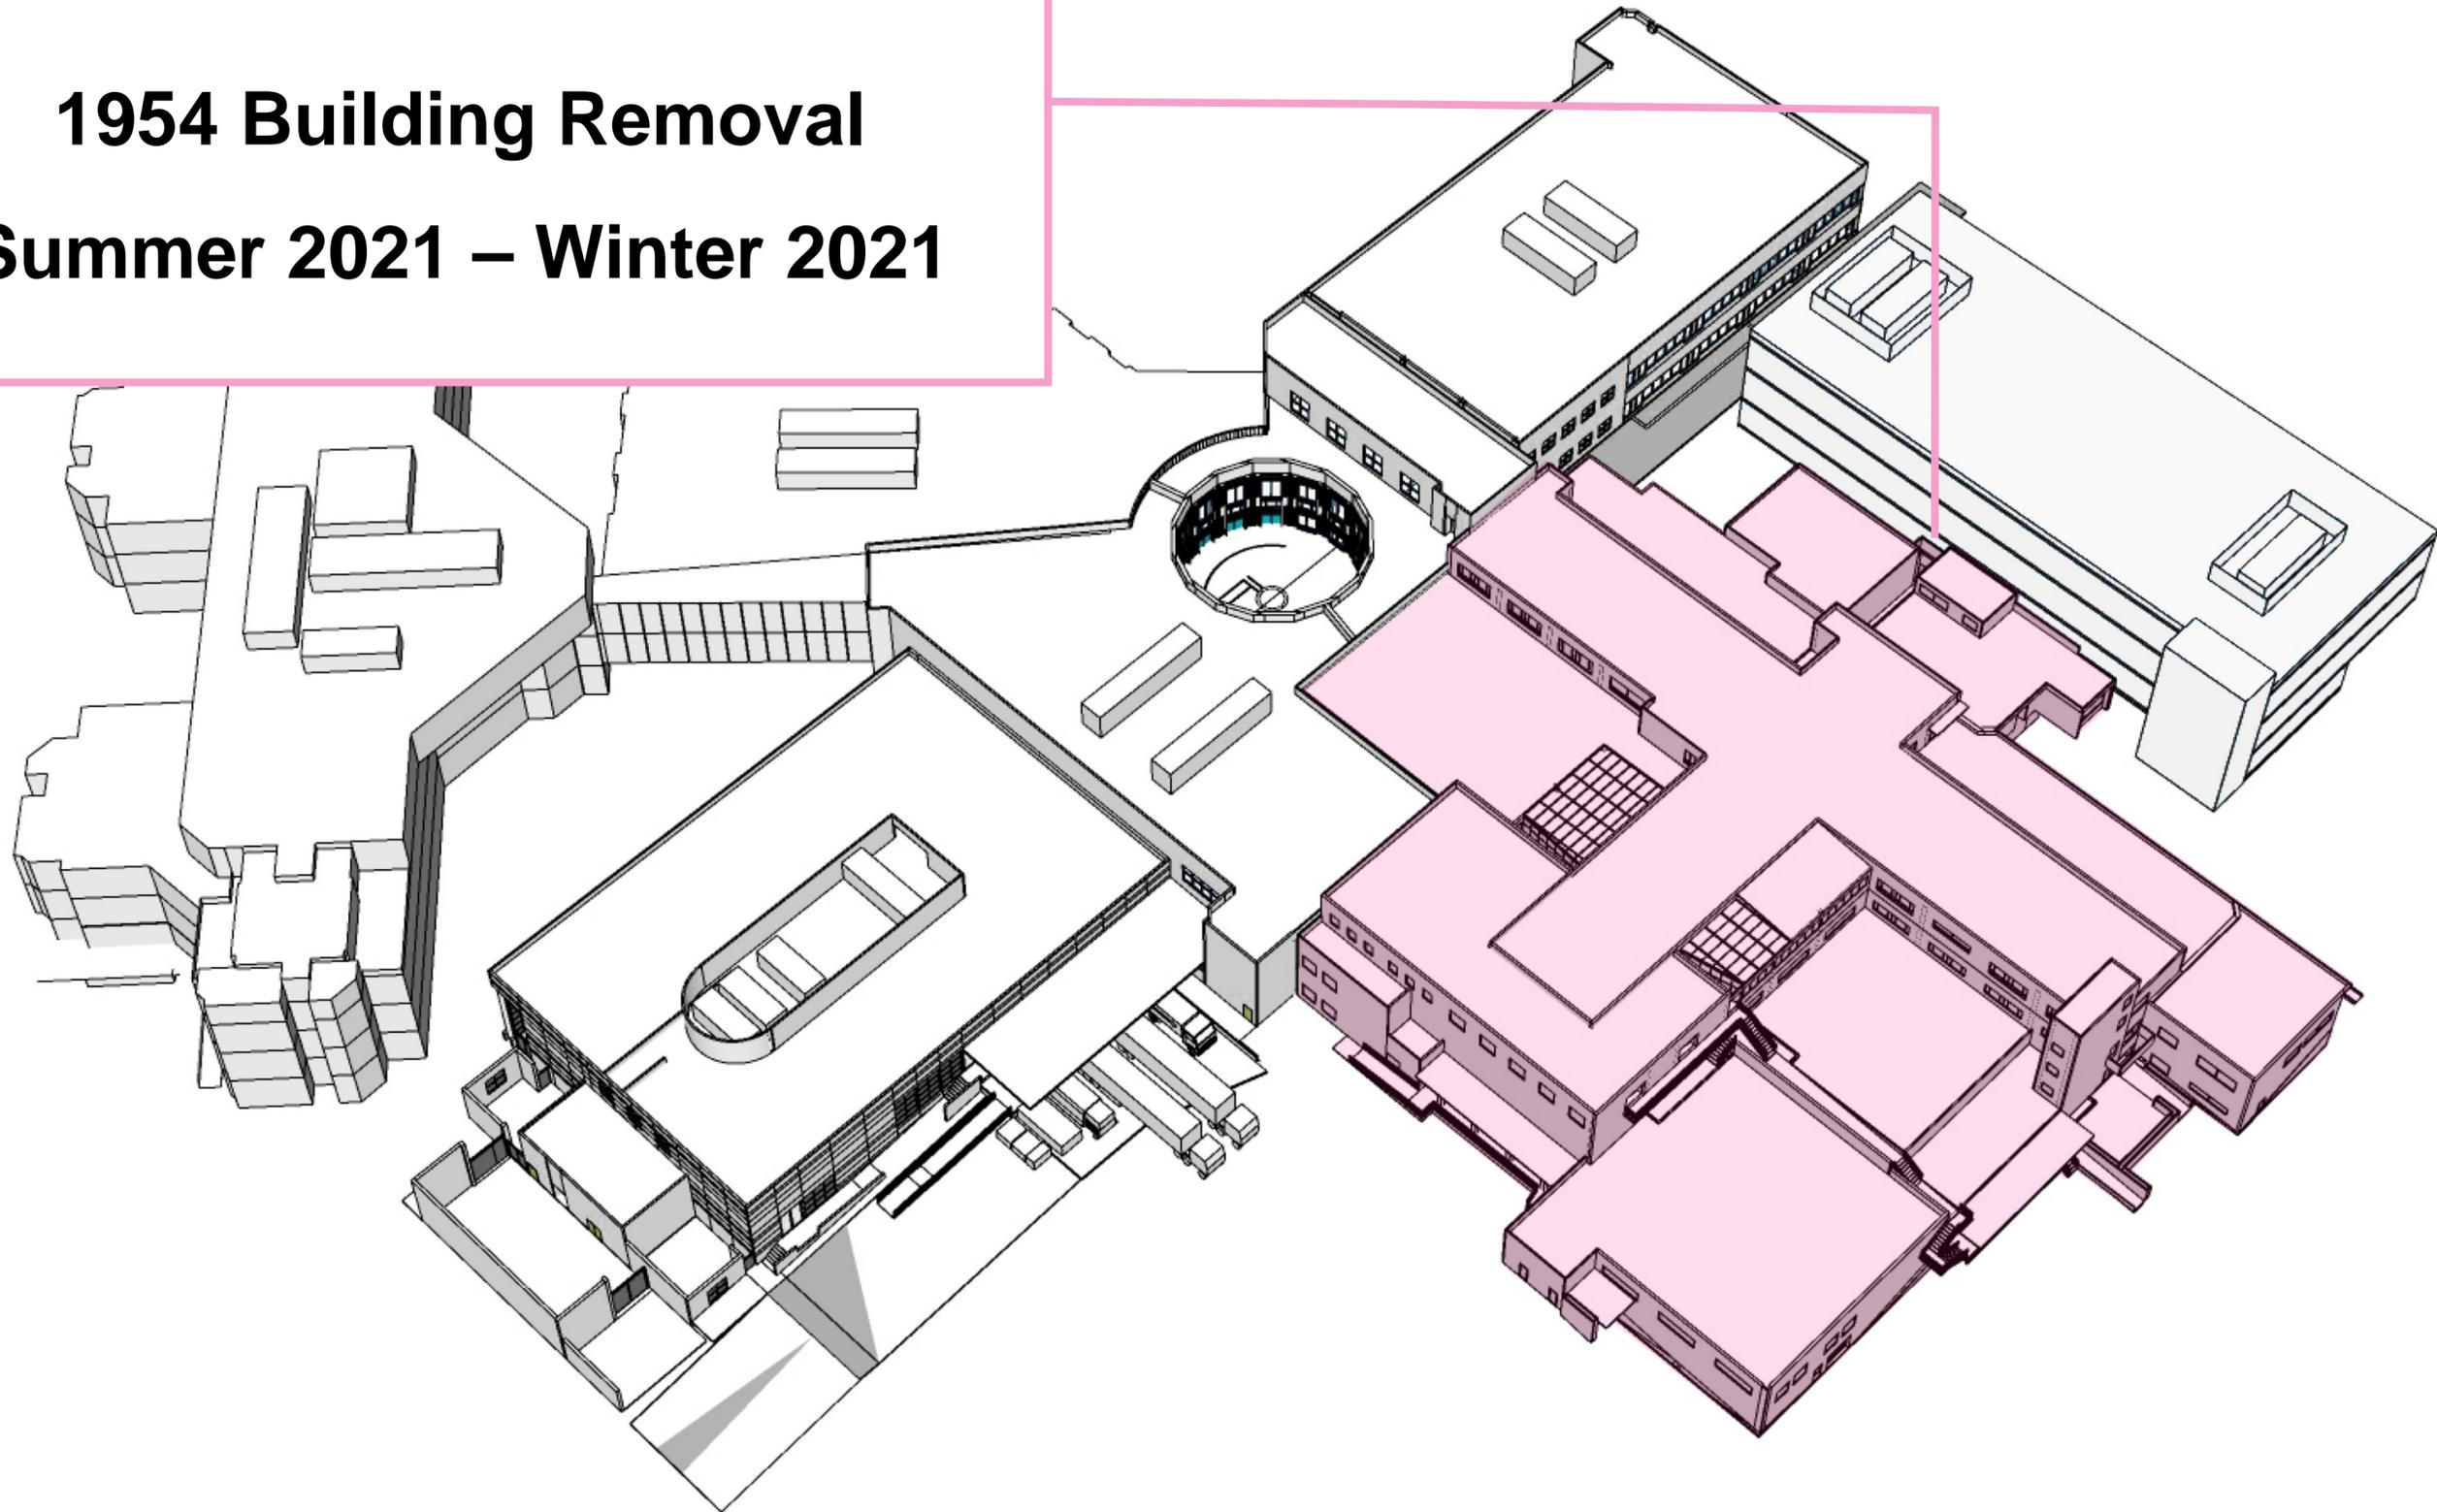

A 3D architectural rendering of a large building complex. The central focus is a rectangular building with a yellow roof and walls, which is highlighted by a yellow callout box. This box contains the text 'Central Plant Remodel January 2019 - Q2 2020'. The rest of the building complex is shown in a light gray wireframe style. The complex includes various interconnected structures, a central circular courtyard, and several smaller rectangular buildings. The rendering is viewed from an elevated perspective, showing the layout and connections between the different parts of the facility.
