# CHILD CARE PARTNERSHIP COUNCIL

## Mission Statement

The San Mateo County Child Care Partnership Council takes the lead in planning and advocating for quality care and education for all children, from birth to age thirteen, in San Mateo County. It is a state-mandated local council under joint auspices of the San Mateo County Board of Supervisors and the San Mateo County Superintendent of Schools.

## Authority

In 1991 the state legislature established Local Child Care Planning Councils (LPCs) in every county in California. In San Mateo County, the LPC is known as the Child Care Partnership Council. From the beginning it was co-chaired by a member of the Board of Supervisors and County Superintendent of Schools. In 1997 with the advent of welfare reform, the role of Child Care Planning Councils was strengthened through passage of AB 1542 and the implementation of CalWORKS (Education Code, Sections 8499.3 et. seq. and 54744.) The new legislation formalized the stakeholders who must make up the Council and mandated specific duties and decisions. The Council is the official advisory body for the San Mateo County Early Learning Quality Rating and Improvement System (QRIS).

## Membership

22 members; the Council is co-chaired by a member of the Board of Supervisors and the County Superintendent of Schools, both of whom are members of the Council. Of the twenty remaining members, ten are appointed by Board of Supervisors with the other ten appointed by the County Superintendent of Schools. With respect to the twenty remaining members, there are five categories of appointments with four members in each category: child care consumers, child care providers, public agency representatives, community representatives, and discretionary appointees. Members include representatives from each region of the county: North, Central, South and Coast.

## Terms

Four-year Terms, 3 Term maximum

## Duties

The Council provides a forum for the identification of local priorities for child care and early learning

services and the development of policies and strategies to meet the priorities. It provides a community venue where the impact of state and federal child care and family policies, proposed legislation or regulation can be examined from multiple perspectives. The Council recommends decisions on the local distribution of state and federal child care funding. It conducts a mandated community-wide needs assessment, followed by a county-wide strategic plan for child care services for all children, every five years. The Council acts as the official advisory body to the San Mateo County Early Learning Quality Rating and Improvement System (QRIS).

## Appointing Authority

There are 20 voting members jointly appointed by the Superintendent and the Board of Supervisors
