Update on County Response to COVID-19

Redwood City – The County of San Mateo continues to work to protect public health and safety in response to the novel coronavirus known as COVID-19.

The County of San Mateo's Emergency Operations Center (EOC) remains open to coordinate countywide response and communications in response to the situation. The EOC's Joint Information Center will provide daily status reports Monday through Friday until further notice. Today's report:

COVID-19 Data by Zip Code on San Mateo County Health's Website

The information posted on San Mateo County Health's COVID-19 page has been expanded to include COVID-19 cases by zip code. The first report shows data as of April 26 and lists cities associated with 29 zip codes in the county. Some zip codes include more than one city. The report will be updated weekly.

It is important to understand that cases by zip code do not show a true representation of presence of disease in the geographic area.
