### Independent Accountant's Report

Board of Directors  
San Mateo County Transportation Authority  
Redwood City, California 94063

We have examined management's assertion, included in the accompanying Management's Report on Compliance with the Agreement, about the County of San Mateo's compliance with the requirements of the *Agreement For Distribution Of San Mateo County Measure A Funds For Local Transportation Purposes* (the Agreement) between the County and the San Mateo County Transportation Authority dated August 18, 1989 and extended on January 27, 2009, during the year ended June 30, 2009. Management is responsible for the County's compliance with those requirements. Our responsibility is to express an opinion on the County's compliance based upon our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and accordingly, included examining, on a test basis, evidence supporting the County's compliance with those requirements and performing such other procedures as considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination of the County's compliance with specified requirements.

In our opinion, management's assertion that the County complied with the aforementioned requirements for the fiscal year ended June 30, 2009, is fairly stated, in all material respects.

This report is intended solely for the information of the San Mateo County Transportation Authority Board and management. However, this report is a matter of public record and its distribution is not limited.
