

**DISTRICT ATTORNEY'S ASSET FORFEITURE TRUST FUND
AUDIT REPORT
FOR THE PERIOD JULY 1, 2008 THROUGH JUNE 30, 2009**

I. BACKGROUND

The District Attorney's Asset Forfeiture Trust Fund (the Fund) was established to account for seized funds and proceeds received from the sale of forfeited assets associated with narcotics arrests. These monies are held pending the outcome of narcotics civil forfeiture cases. When a court makes a judgment supporting forfeiture, the forfeited funds are distributed according to the formula stipulated in the Health and Safety Code Section 11489. Otherwise, the funds are returned to the parties from whom they were seized.

II. PURPOSE AND SCOPE

We reviewed the accounting records and procedures adopted by the Office of the District Attorney for the distribution of the Fund for the fiscal year ended June 30, 2009. Our examination was made in accordance with the standards established by the Institute of Internal Auditors and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The scope of the audit included a review of the internal control system and compliance with appropriate policies, procedures, laws and regulations relative to the Fund.

Our review would not necessarily disclose all weaknesses in the internal control system, or all instances of noncompliance with policies, procedures, laws, and regulations that might have occurred during the audit period because the examination was based on selective tests of accounting records and related data. Based upon the results of our examination, it is our opinion that internal controls over the deposits and distribution of forfeited funds and proceeds from the sale of forfeited properties are adequate and operating effectively.

The fieldwork was completed on April 15, 2010.

C. Distribution of Forfeited Funds and Proceeds from the Sale of Forfeited Properties

The distribution of forfeited funds and proceeds from the sale of forfeited properties is computerized based on the narcotics forfeiture interest/disbursement application program.

Based on our test sample, we were satisfied that the distribution of forfeited funds and proceeds from the sale of forfeited properties was correct and in accordance with Health and Safety Code Sections 11489 and 11494. We also reviewed the records of distribution to various arresting agencies to determine whether there were complaints regarding allocation of their shares of forfeited funds. Our review disclosed no complaints.

D. Remittance to the State

The State Controller's letter dated September 6, 1994 requires that the State share of the distribution under the Health and Safety Code Section 11489, effective January 1, 1994, be:

- Remitted on the State remittance Advice Form (TC31); and
- Identified as H & S 11489 - 24%.

Based upon our test sample, we were satisfied that State remittances were correctly reported on the State Remittance Form (TC31), and identified as H & S 11489 - 24%.

We wish to express our appreciation for the courtesy and cooperation extended to us by the District Attorney's Office during the course of the audit.
