I. **Consideration of Support of S. 1169, the Juvenile Justice and Delinquency Prevention Reauthorization Act of 2015**

This bill would strengthen and update the Juvenile Justice and Delinquency Prevention Act, which has provided states and localities with federal standards and supports for improving juvenile justice and delinquency prevention practices and contributed to safeguards for youth, families and communities for more than 40 years. The bill is currently being debated in the Senate and is in danger of losing its funding.

The Act 4 Juvenile Justice Campaign is asking for organizations to lend their names to their letter of support. Cut and paste the following URL for the text of the bill:
