## **Update on County Response to COVID-19**

**Redwood City** – The County of San Mateo continues to work to protect public health and safety in response to the novel coronavirus known as COVID-19.

The County of San Mateo's Emergency Operations Center (EOC) remains open to coordinate countywide response and communications in response to the situation. The EOC's Joint Information Center will provide daily status reports Monday through Friday until further notice. Today's report:

### **County Expands COVID-19 Testing to Half Moon Bay; Space Available**

The County of San Mateo continues to increase the availability and accessibility of COVID-19 testing to anyone in the county who wants to be tested. The newest testing site is now open in Half Moon Bay with testing available by appointment on June 4, 10 and 11, from 9 a.m. to 4 p.m. at Cunha Intermediate School.

The Half Moon Bay testing location will operate on a two-week rotating schedule with the site closing end of day June 11. Future dates will be announced. Residents must be 18 years or older and register online up to 72 hours in advance of desired appointment date at <https://bit.ly/2xk73OL>

The test method is through self-administered swabbing. Individuals usually receive results in two to five days. San Mateo County Health will contact those who test positive.

For more information about COVID-19 resources and testing, call 211.
