Wreco	Category 5 Hydraulic and Hydrologic Studies, and Category 6 Geotechnical Engineering
W-Trans	Category 7 Traffic Engineering and Analysis

The County intends to have the proposals submitted in response to the Request for Proposals (RFP) available for public inspection at the Department's office by 5:00 pm on Friday, September 17, 2021. If a proposer believes that a portion of their proposal is confidential, they should notify Krzysztof Lisaj with the Department by e-mail no later than 5:00 pm on Friday, September 17, 2021, at the following e-mail address:

klisaj@smcgov.org

In the notification, the proposer should assert any applicable privileges or reasons why the documents should not be released, and its intent to obtain a court order prohibiting disclosure.

A proposer may submit a written protest to the County of San Mateo's Risk Management Division. Such written protest must be submitted by 5:00 pm on Friday, October 1, 2021. The protest must be in writing.

The protest shall state the reason(s) for the protest. A protest that merely addresses a single aspect of the selected proposal, e.g., an irregularity in proposal format, will not be sufficient. A successful protest will include sufficient evidence and analysis to support a conclusion that the selected proposal taken as a whole is an inferior proposal. The decision of the County's Risk Management Division on the protest shall be final.

Regards,
County of San Mateo
Department of Public Works
