

STARTING FEBRUARY 22 FOOD & AGRICULTURAL WORKERS

will be eligible to receive the COVID-19 vaccine in San Mateo County. This includes restaurant, grocery store staff and agricultural workers.

Starting Thursday, February 25

The County of San Mateo will be hosting a free COVID-19 vaccination event for food and agricultural workers.

To get information about this vaccine event or for future events please fill out both the County and State notification forms. You will be notified as appointments become available.
