### **Information Packet For Business Owners**

#### FACT SHEET:

Middlefield Road Improvement Project

Middlefield Road PROVEMENT PROJEC

WHAT: this roadway improvement project will move all overhead utility lines underground, replace sanitary sewer lines, and will change the roadway configuration to 3-lanes (one travel lane in each direction and a center turn lane between Pacific and 5th Avenue) with parallel parking, bike lanes and wider sidewalks. It will also include installation of amenities such as benches, street trees and landscaping, streetlights, trash receptacles, bike racks, street art, and public WiFi along the project corridor. Improvements will also be made at the Fair Oaks Clinic/Redwood Junction driveway at the railroad crossing including the installation of traffic signals.

WHERE: Middlefield Road from south of Douglas Avenue to north of 6th Avenue. WHEN: construction began May 2021 and is expected to be completed winter 2022.

BACKGROUND: This project was originally included in the North Fair Oaks

Community Plan ("Plan") approved in 2011 and included extensive community input. The Plan describes the goals for the development of the community over the next 30 years, including land use, circulation and parking, infrastructure, health and wellness, housing, design standards, and economic

development. For more information: planning smcgov.org/north-fair-oaks-co

Hoja de información: Proyecto de Mejora de Middlefield Road

lcantarillado sanitario, y cambiará la configuración de la calle a tres carriles (un carril de circulación en cada dirección y un carril de giro central entre Pacific y 5th Avenue) con estacionamiento paralelo, carriles para bicicletas y aceras más anchas. También incluirá comodidades de la calle incluyendo bancos, árboles y jardines, farolas, recipientes de basura, estacionamiento para bicicletas, arte callejero, y WiFi público a lo largo del corredor del provecto. También se realizarán meioras en el punto de acceso de la clínica Fair TEMPORARY PEDESTR Oaks/Redwood Junction en las vías del ferrocarril, incluyendo instalación de una nueva red de señales de working. Access will all transito.

OFF-STREET PARKING DÓNDE: al norte de Middlefield Road desde Douglas Avenue, y al sur de 6th Avenue

and at Berkshire Ave & CUÁNDO: construcción empezó en mayo 2021 y el tiempo estimado de terminación es Stay up to date of inverno 2022.
