

## About San Mateo County Livestock and Agriculture Production

We would like to learn more about you and your operations. The information gathered from these questions will be used to better serve our agricultural community and to create a more interesting crop report that features the differences or similarities of producers and practices. If you have any concerns about how your answers will be used, please contact Kelly Mayer at [kmayer@smcgov.org](mailto:kmayer@smcgov.org) or (650) 877-5762.

Please answer as you see fit, examples are given but answers are not limited to these.
