Hi Camille,  
The purpose of the frog survey is to make sure frogs are not present right before lot disturbance, so that they are not harmed. If we take the time to prepare a memo that requires review, it defeats the purpose. Can we call you when the survey is completed to provide a verbal report, that can be followed by a written report? Or should Jessie be present too? Bob has us tentatively scheduled to complete the frog survey tomorrow.  
Thanks,  
Tay

**Subject:** Documents provided with Lot 11 Permit

Hi Bob and Noel,

When you meet with Wes today to pick up the building permit for Lot 11, he will print these out for you. Please sign the Grading Permit Hard Card and review the Construction and Grading Requirements carefully as they have been updated and include Lot 11.

We will await the California Red Legged Frog survey that must be completed and reviewed and approved by the County prior to disturbance of the lot.

Thank you
