Dear Ms. Leung,

My name is Eva. I'm a resident of the San Mateo Highlands at address 25 French Creek Place. Regarding San Mateo County's notification letter dated May 3 with subject "Consideration of a proposed Minor Modification to an approved Resource Management (RM) Permit (PLN2006-00357) for the development of Lots 5, 6, 7, and 8 (BLD2016-00161 through BLD2016-00164), in the San Mateo Highlands Area", because of the significant impact this construction project will have to the hillside open space along Ticonderoga Drive, which includes a possible increased risk of a landslide in the area, I request that the County give the Highlands community an additional 45 days beyond May 17 to review and respond to the lengthy 289-page project addendum document "Highland Estates Subdivision Project Addendum to the Highland Estates Final Environmental Impact Report SCH No. 2007052068" referenced in the 'minor modification' letter.

Thank you for your consideration and collaboration with your community.
Sincerely,
Eva Stephens
