Hi Camille,

Attached are the following documents required to merge Parcel A "681 Hermosa Ave." (lands of Lucas D.N. 2018 - 04522) and Parcel B 0 Hermosa Ave. (Lands of Lucas D.D 2020-054201). It should also be noted that the original subdivision map includes a statement that "none of the streets designated are dedicated to public use." In addition there is a quit claim within the chain of title from the previous owner of the adjacent lot, Lyle Church, which extinguished rights to the old 1907 Hermosa Ave. road proving that it is not in fact in dispute.

Best Regards,  
Brad Lucas
