Dear Lisa,

Further, the law firm (Katzoff & Riggs LLP) and their attorney Nicole Campbell represents the Blantons, Matt Show, Genevieve (Matt Show's spouse) spouse, Anne and Richard Martin (the apparent co-conspirators).

Also, please take any hearing off the calendar.

Thanks
Respectfully
With kind regards

Dear Lisa,

The email below is fraudulent.

"I am writing on behalf of an attorney who represents TEG Partners"

Neither Mr. Rohit Pappu, nor Katzoff & Riggs LLP represent TEG Partners.

Consequently, please completely disregard the email below and any proposed action from the county.

I am removing Mr. Pappu from the cc. You may also please conduct your independent investigation of this email and of the sender and please report to appropriate authorities.

The County needs to verify the authenticity, since certain individuals have conspired to make systematic efforts to use your office as a weapon of harassment against us.

Thanks

With kind regards

Hi TJ --

After receiving your emails this morning, I checked back with Code for clarification on who called asking about a hearing date for the appeal. I assumed it was you, but now I believe it was the person who just sent this email -- see below. I'm sorry for the confusion!

The hearing officer for citation appeals is the Zoning Hearing Officer. Those meetings are held on the first and third Thursdays of the month at 10:00 a.m. We are planning to schedule this appeal hearing for November 18. Per County regulations (Administrative Remedies Section 1.40.110 (b)), you will receive a notice confirming that at least 10 days prior to the hearing.

Please let me know if you have any questions.

Regards,

Lisa Aozasa, Deputy Director

Dear Ms. Aozasa,

I am writing on behalf of an attorney who represents TEG Partners. I wanted to find out if there has been a notice of hearing scheduled for the above referenced case number. We have filed an Appeal on September 22, 2021, and we were told that we would receive a notice of hearing within ten days. Please let me know if there is anything that I can do to help you with this request.

Best,
Rohit Pappu
