Hi Nicole --

Yes, Monday, November 22 at 9:00 a.m. will work. Our office is located on the Second Floor at 455 County Center, Redwood City. You can check in at the Service Window on the ground floor which you'll see as you walk to the building from the Public Parking Structure, accessed from Middlefield Rd. Or, you can come on up to the Second Floor, since you have an appointment. Madeline Payumo with Building will be there to help you with the microfilm reader. I will be off that day, but will make sure there is a Senior staff member or Manager available if you have any follow up questions or requests.

Please let me know if you have any other questions at this point.

Best,

Lisa Aozasa, Deputy Director
San Mateo County
Planning & Building Department

Subject: March and July PRA requests

Good morning, Nicole,

I'm writing in response to your March and July requests for public records. We have uploaded some scans of hard copy files that are responsive to your request to the site at <https://planning.smcgov.org/hermosa-miramar-PR>. I believe that Planning staff (Lisa or Maddie) are coordinating with you for an in-person review of building files that may be responsive to your request. I believe that concludes our response to the March and July requests.

We are refreshing our search for any communications that may be responsive to your last (October) PRA request, and will upload those to the site as they are reviewed and approved for production.

Please feel free to contact me with any questions.

Melissa
