NOTICE INVITING STATEMENTS OF QUALIFICATIONS
FOR BIDDING SUBCONTRACTORS
Public Contract Code §20146

I. PREQUALIFICATION PROCESS

Introduction: The County of San Mateo (“Owner” or “County”) invites “Request for Statements of Qualifications” (“RFSOQ”) submittals from highly qualified bidding trade subcontractors (“Proposers”) interested in contracting with Truebeck Construction, the project’s Construction Manager at-Risk (“CMR”) to provide construction services for the new San Mateo County Office Building 3 (“Project”) in Redwood City, California.

Selection Process: The prequalification will be a one-step process. The County of San Mateo and Truebeck Construction have determined that specialty trade subcontractors who plan to participate in the competitive bidding selection process for any of Bid Packages for these projects must be prequalified in order to participate in the bidding selection process.

Prequalification requires an accurate completion and submission of a written Statement of Qualification questionnaire response by all interested trade subcontractors. These responses will be evaluated by the County of San Mateo and Truebeck Construction and will establish a trade subcontractor’s prequalification status for bidding. Prequalification documents consisting of this **REQUEST FOR STATEMENT OF QUALIFICATIONS** together with the **PREQUALIFICATION QUESTIONNAIRE** will be available to intending bidders beginning on **December 15, 2020** on Building Connected.

Any questions or requests for clarifications or interpretation of the Prequalification Documents must be submitted in writing to the following team members by **Tuesday December 29th, 2020 by 5 PM:**

- Steve Tekunata, Truebeck Construction @ steve.tekunata@truebeck.com
- Matt Ocon, Truebeck Construction @ matt.ocon@truebeck.com
- Sam Lin, Manager, Project Development Unit @ slin@smcgov.org

Questions received after the above-noted deadline may be answered at the discretion of CMR and the County of San Mateo. Revisions and question responses will be posted on Building Connected by **Tuesday, January 5th, 2021**. Prospective bidders will be responsible to check the website above on date indicated to download any addendums.

Notice Inviting Statements of Qualifications: Submissions must occur no later than 5:00 pm on Monday, January 18th, 2021. Proposer is required to email an electronic soft copy in PDF of the above same submittal with filename “[Your Firm Name] CoSM Truebeck RFSOQ” to Matt.Ocon@Truebeck.com and Steve.Tekunata@truebeck.com.

RFSOQ submittals received late will not be opened or given any consideration for the proposed services. Late submittal(s) will be returned to Proposer(s) unopened. It is the responsibility of the Proposers to ensure that the RFSOQ submittals are received at the specified digital locations by the specified deadline noted in this RFSOQ. All proposals will be date and time stamped upon upload or upon receipt. The County will not be responsible for late or incomplete responses due to mistakes or delays of the Proposer or carrier used by the Proposer or weather delays. However, the County of San Mateo and CMR reserve the right to request, to receive, and to evaluate supplemental information after the above time and date at its sole discretion.
