### REQUEST FOR INFORMATION RESPONSES

**Question 17:** “On Addendum #1, Q 19 **INSURANCE**: If our Commercial Umbrella Liability covers up to \$25,000,000, should I add a text box that states as such, so that we are not deducted any points? Or will an attachment of our COI be enough?”

**Answer:** Similar to Question 8, COI is an acceptable alternative to a notarized document stating the insurance limits for the project. A text box is also acceptable

**Question 18:** “Working on the Project Prequal Package/Questionnaire for the San Mateo Health Systems Campus Upgrade Project(s) and I have a question: Will 100% Payment & Performance Bonds be required for the miscellaneous projects?”

**Answer:** Payment and Performance Bonds are not required. This prequal question is included to show your ability to demonstrate current bonding capacity and ability to provide bonding.
