Participant Agenda

Content Objectives

1. Provide opportunity for cities to share current community engagement efforts
2. Introduce selected city pilot projects
3. Provide participants with information about key community engagement concepts and strategies
4. Share results of "areas of interest" feedback for Learning Network sessions

Experiential Objectives

1. Develop a sense of teamwork with H4A, Common Knowledge Plus, and city teams
2. Create a safe place for sharing challenges, lessons learned and "partial answers" that can be pooled for greater impact together
3. Begin to build a framework for community engagement planning and implementing best practices

7:45   **Welcome and introductions**

- Review agenda for the session
- Brief introductions
- Housing Updates
- Selected Community Engagement Pilot cities

8:10   **Building Community Momentum for Housing** (Presented by Common Knowledge Plus)

- Shifting Your Relationship with the Community
- Community Engagement Definition and Framework
- Civic versus Community Landscape
- Local Examples of Broadening Participation
  - Alex Khojikian, Redwood City
  - Jill Ekas, Half Moon Bay
- Table discussion
- How Community Engagement supports Housing Decisions

9:20   **Wrap up initial community engagement presentation**

9:30   **Thanks and Adjourn**

Next Learning Network Session: November 30, 2017
