Subject: Resolution to make findings allowing continued remote meetings under Brown Act

RECOMMENDATION:
Adopt a resolution finding that, as a result of the continuing COVID-19 pandemic state of emergency declared by Governor Newsom, meeting in person for meetings of the Joint Powers Financing Authority would present imminent risks to the health or safety of attendees.

BACKGROUND:
On June 11, 2021, Governor Newsom issued Executive Order N-08-21, which rescinded his prior Executive Order N-29-20 and set a date of October 1, 2021 for public agencies to transition back to public meetings held in full compliance with the Brown Act. The original Executive Order provided that all provisions of the Brown Act that required the physical presence of members or other personnel as a condition of participation or as a quorum for a public meeting were waived for public health reasons. If these waivers fully sunsettled on October 1, 2021, legislative bodies subject to the Brown Act would have to contend with a sudden return to full compliance with in-person meeting requirements as they existed prior to March 2020, including the requirement for full physical public access to all teleconference locations from which board members were participating.

On September 16, 2021, the Governor signed AB 361, a bill that formalizes and modifies the teleconference procedures implemented by California public agencies in response to the Governor’s Executive Orders addressing Brown Act compliance during shelter-in-place periods. AB 361 allows a local agency to continue to use teleconferencing under the same basic rules as provided in the Executive Orders when certain circumstances occur or when certain findings have been made and adopted by the local agency.

AB 361 also requires that, if the state of emergency remains active for more than 30 days, the agency must make findings by majority vote every 30 days to continue using the bill’s exemption to the Brown Act teleconferencing rules. The findings are to the effect that the need for teleconferencing persists due to the nature of the ongoing public health emergency and the social distancing recommendations of local public health officials. Effectively, this means that local agencies must agendize a Brown Act meeting once every thirty days to make findings regarding the circumstances of the emergency.
and to vote to continue relying upon the law’s provision for teleconference procedures in lieu of in-person meetings.

AB 361 provides that Brown Act legislative bodies must return to in-person meetings on October 1, 2021, unless they choose to continue with fully teleconferenced meetings because a specific declaration of a state or local health emergency is appropriately made. AB 361 allows local governments to continue to conduct virtual meetings as long as there is a gubernatorially-proclaimed public emergency in combination with (1) local health official recommendations for social distancing or (2) adopted findings that meeting in person would present risks to health. AB 361 is effective immediately as urgency legislation and will sunset on January 1, 2024.

The County Board of Supervisors has adopted a resolution finding that, as a result of the continuing COVID-19 pandemic state of emergency, meeting in person “would present imminent risks to the health or safety of attendees.”

The County’s resolution states, among other things, that: “The Board of Supervisors strongly encourages all legislative bodies of the County of San Mateo that are subject to the Brown Act, including but not limited to, the Planning Commission, the Assessment Appeals Board, the Civil Service Commission, and all other oversight and advisory boards, committees and commissions established by the Board of Supervisors and subject to the Brown Act, to make a similar finding and avail themselves of teleconferencing until the risk of community transmission has further declined, and directs the County Manager to provide necessary support for these legislative bodies to continue teleconferencing procedures when they have adopted such findings.”

**DISCUSSION:**
Because local rates of transmission of COVID-19 are still in the “substantial” tier as measured by the Centers for Disease Control, we recommend that your Board or Commission avail itself of the provisions of AB 361 allowing continuation of online meetings by adopting findings to the effect that conducting in-person meetings would present an imminent risk to the health and safety of attendees. A resolution to that effect and directing staff to return each 30 days with the opportunity to renew such findings, is attached hereto.

RESOLUTION NO.

SAN MATEO COUNTY JOINT POWERS FINANCING AUTHORITY

RESOLUTION FINDING THAT, AS A RESULT OF THE CONTINUING COVID-19 PANDEMIC STATE OF EMERGENCY DECLARED BY GOVERNOR NEWSOM, MEETING IN PERSON FOR MEETINGS OF THE JOINT POWERS FINANCING AUTHORITY WOULD PRESENT IMMINENT RISKS TO THE HEALTH OR SAFETY OF ATTENDEES

WHEREAS, on March 4, 2020, the Governor proclaimed pursuant to his authority under the California Emergency Services Act, California Government Code section 8625, that a state of emergency exists with regard to a novel coronavirus (a disease now known as COVID-19); and

WHEREAS, on June 4, 2021, the Governor clarified that the “reopening” of California on June 15, 2021 did not include any change to the proclaimed state of emergency or the powers exercised thereunder, and as of the date of this Resolution, neither the Governor nor the Legislature have exercised their respective powers pursuant to California Government Code section 8629 to lift the state of emergency either by proclamation or by concurrent resolution in the state Legislature; and

WHEREAS, on March 17, 2020, Governor Newsom issued Executive Order N-29-20 that suspended the teleconferencing rules set forth in the California Open Meeting law, Government Code section 54950 et seq. (the “Brown Act”), provided certain requirements were met and followed; and

WHEREAS, on September 16, 2021, Governor Newsom signed AB 361 that provides that a legislative body subject to the Brown Act may continue to meet without
fully complying with the teleconferencing rules in the Brown Act provided the legislative body determines that meeting in person would present imminent risks to the health or safety of attendees, and further requires that certain findings be made by the legislative body every thirty (30) days; and,

WHEREAS, California Department of Public Health ("CDPH") and the federal Centers for Disease Control and Prevention ("CDC") caution that the Delta variant of COVID-19, currently the dominant strain of COVID-19 in the country, is more transmissible than prior variants of the virus, may cause more severe illness, and that even fully vaccinated individuals can spread the virus to others resulting in rapid and alarming rates of COVID-19 cases and hospitalizations (https://www.cdc.gov/coronavirus/2019-ncov/variants/delta-variant.html); and,

WHEREAS, the CDC has established a “Community Transmission” metric with 4 tiers designed to reflect a community’s COVID-19 case rate and percent positivity; and,

WHEREAS, the County of San Mateo currently has a Community Transmission metric of “substantial” which is the second most serious of the tiers; and,

WHEREAS, the Joint Powers Financing Authority (the “Authority”) has an important governmental interest in protecting the health, safety and welfare of those who participate in its meetings; and,

WHEREAS, in the interest of public health and safety, as affected by the emergency caused by the spread of COVID-19, the Authority deems it necessary to find that meeting in person would present imminent risks to the health or safety of
ITEM 3

attendees, and thus intends to invoke the provisions of AB 361 related to teleconferencing:

**NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED** that

1. The recitals set forth above are true and correct.

2. The Authority finds that meeting in person would present imminent risks to the health or safety of attendees.

3. Staff is directed to take such other necessary or appropriate actions to implement the intent and purposes of this resolution.

**PASSED AND ADOPTED** this 27th day of October, 2021.

ATTEST:

By __________________________
Secretary
On March 17, 2020, the Governor issued Executive Order N-29-20 suspending certain provisions of the Ralph M. Brown Act in order to allow for local legislative bodies to conduct their meetings telephonically or by other electronic means. Thus, pursuant to Executive Order N-29-20, local and statewide health orders, and the CDC’s social distancing guidelines which discourage large public gatherings, the regular meeting location of the Joint Powers Financing Authority is no longer open for public meetings.

The meeting began at 11:02 AM.

The agenda of said meeting was as follows:

1. **Roll Call**
   - Members Present: 4 – Thomas F. Casey III, Jim Saco, Donna Vaillancourt; Paul Scannell, President.

5. **Full Plan of Financing presentation**

   Robert discussed the Cordilleras Mental Health Facility project and the housing elements it will provide, he discussed the financing plan and how the debt would be utilized to finance the project and that interest rates. He for the 2013A and 2014A bonds would be reduced in connection with the financing to create a manageable debt structure over time.

   Mark Epstein added that the refundings we are presenting are taxable.
Robert shared that the Medical Center project maximizes State reimbursement as compared to a County-funded cash contribution, and that we could spend the remainder of the bond on this project. The County Office Building 3 (COB3) will utilize General Funds, and isn’t currently covered by the master lease structure, so that it could be used to support a bond issuance at a later date.

Robert mentioned that a TEFRA hearing was conducted on May 25, 2021, as suggested by Orrick. John Palmer noted that the TEFRA provides protection for the tax-exempt status of the bonds if ever part of the Cordilleras facilities is operated by a nonprofit organization. This permits a nonprofit to use the facilities without creating private use and thus without jeopardizing the tax-exempt status of the bonds.

6. Update: Status, schedule and structure of Cordilleras financing and prior bond refunding and action by the County Board of Supervisors to approve and TEFRA hearing.

Robert discussed that the documentation for the bond is being compiled today, along with a Due Diligence phone call with the bankers this afternoon. We plan to go for pricing of the bond the week of June 7, 2021, with a final closing date of June 29, 2021. The Official Statement is almost finalized pending the pricing amounts. Robert was pleased to share that the rating agencies S&P and Moody’s provided a AAA rating.

Jim Saco provided comments on the tables in the draft official statement.

7. Review and approval of transactional documents and resolutions for the financing and refunding bonds as follows:
